Motel proposed on St. Albert Trail

A proposal for a 36-unit motel beside the Big M restaurant on the St. Albert Trail prompted some discussion at Tuesday night's meeting of the Municipal Planning Commission.

The proposal was presented by George Koch of Golden Flow Construction Ltd. The proposed development would consist of the hotel units, a dining room, a cocktail lounge and a manager's residence. Mr. Koch told the commission the building would be constructed from block and cedar siding. He indicated from the drawings that large trees would be used to screen off the parking area, and commented that the trees would also serve as a noise buffer. The proposed development would go as far as the edge of the ravine, and room for parking 111 cars would be provided.$

Mr. Koch told council that the company had dedicated the ravine area and service road to the city.

In discussion of the matter, City Administrator Bob Byron stated that the development conformed with the intent to which the land was originally developed.

"This is not an ad hoc development," said Mr. Byron. "The service road dedication was made on the condition that the rest of the property could be developed. This is simply an extension of the original intention."

Mr. Byron went on to say he realized the city council wished to study the matter, but pointed out that proposal conformed to land use and other standards, as are judged by the MPC. He stated that council could take the matter under advisement.

Ald. Bill Shields made reference to council's intention to have the area placed under special study.

"We can't ignore the residents concern about this area. I would like to see this referred."

This drew disagreement from Ald. Ayotte, who expressed his support for the proposal.

"It fully conforms with the original intention," said Mr. Ayotte. Mayor Ronald Harvey, who chaired the meeting in the absence of Chairman Barry Breadner, also supported the proposal.

Mr. Byron moved that the proposal be approved in principle. The motion carried.

Next council meeting /\ August 8

Thanks to the foibles of the calendar, city aldermen and members of the media will have a short respite from regular council meetings during the long hot summer days. There was no meeting of council this week, as the fourth meeting of the month is designated for an Administration Committee meeting. As there are five Mondays this month, there will be no meeting on next Monday, July 31. Council meets on the first and third Mondays of the month. The following Monday is August 7 which is a holiday. Thus, council will resume its regular meetings Tuesday, August 8.

Woman assaulted at shopping mall

St. Albert RCMP report that the Grandin Shoppers Mall was the scene of a recent incident when a 36 year old woman was indecently assaulted on July 22. Sullivan Davis Grey, of High Prairie has been charged in connection with the incident and will appear in court here July 26.

The police also report that early morning break-ins occurred Sunday, July 23 at the premises of Alberta Wilbert Sales, Kan Klear Ltd., and Scolly Enterprises. The matter is under investigation.

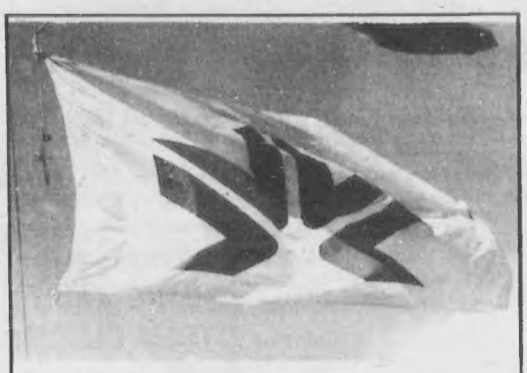

FAULTY EQUIPMENT TICKETS

Numerous faulty equipment tickets have been issued to drivers failing to maintain their vehicles to provincial standards. The RCMP ask that all equipment such as horns, lights, emergency brakes etc. are in working order. Failure to do so will result in a $30 ticket.

BOTTLE BABY

Beer is at a premium these days especially with the hot spell we're experiencing. The St. Albert store got a shipment Tuesday that lasted only as long as it took a throng of thirsty beer drinkers to pack it out. Happy Haneimann wasn't about to let his get away.

Letter to our residents

No one needs to be reminded that the Commonwealth Games are about to start. A drive into Edmonton on any of the main routes is ample evidence of the enthusiasm and excitement with which that City and its residents have responded to the call to host these historic games. The streets and many private homes are gay with banners and flags.

St. Albert residents will be proud to know that the very distinctive Games Logo was designed by a St. Albertan. The Games Foundation Office advises that approximately 1,000 of our citizens are involved in the Games in a voluntary capacity.

City Hall will be flying the Games Flag and I urge citizens and businesses alike to get behind the Games with some positive support. Flags are available from the Games Foundation at a cost of $15.00 each. A telephone call to 428-2309 will ensure that your flag is delivered to you.

Ronald H. Harvey, Mayor

Eliminate sideyards at Industrial Park

At its meeting Tuesday night, the Municipal Planning Commission acted on behalf of several owners of smaller lots in the Riel Industrial Park. The lot owners had expressed concern that the requirement of sideyards on their developments reduced their site coverage and served no purpose as the lots all had rear access. The reduction of the sideyards requirement would permit the owners to extend their buildings to meet at the property line, wall to wall. However, the developments will remain separate buildings. Seven lots are involved in the matter.

Ald. Roger Ayotte moved that the appropriate amendment be made to Development Contro. Resolutions 15 and 16 to allow the reduction of sideyards.

A similar amendment was made to frontyard requirements. The commission was told that the city's frontyard requirements for industrial parks was more stringent than that of Edmonton and put St. Albert in a poor competitive position. A motion to amend the frontyard requirements carried.

Les Amis

Les Amis was in action yesterday at the Akinsdale playground. The troupe gave a performance of movement and mime encouraging the children to develop and act out skits. Communication is the theme this week and Les Amis have found a very respective audience amongst the youngsters. They travel from playground to playground, bringing arts, crafts, drama, music and dance to the children.

RUBY REIGNS

St. Albert's resident, Shirley Martin, has completed her mid-summer transformation and as Ruby Rivers, she is ready to reign over the World Championship Sourdough Raft Races. Ruby will be a passenger on the Paddle Queen during the races, to be held Sunday, July 30, beginning at Terwilliger Park.

Car marking clinic to be held on Saturday

All car stereo and CB owners are reminded that the St. Albert Neighbourhood Watch Group will be holding a car marking clinic on Saturday, July 29, from 10 a.m. to 4 p.m. at the rear parking lot of the RCMP station. These items will be marked with your drivers license number for the purpose of positive identification if lost or stolen.

There is no cost for this service so car owners are encouraged to attend in order to enhance crime prevention.

For further information please contact Joanne Coulter at 459-7721.

WINDY CITY?

Chicago presently lays claim to this distinct title, but some St. Albert and Sturgeon district residents are beginning to question it. Strong winds split a tree Sunday night on Sheridan Drive (above) and a cement block wall hit the ground in the Grandin area.

Ruby Rivers reigns over raft races

It's that time again when Ruby Rivers (our own Shirley Martin) reigns over the river for the World Championship Sourdough Raft Races. The races will take place on Sunday, July 30, just before the Commonwealth Games. The men's event for the Molson Cup is the racers top event, then there is the women's race event, the mixed race and following will be the Novice Event, sponsored by Canada Safeway Ltd. Going for the Gulf Trophy will be all the large freighter rafts.

And just for fun there are the comedy rafts both commercial and individual. The rafts will be judged from 9:00 in the morning until noon and then, into the water! The race begins at Terwilliger Park and check points will be at Whitemud Park, Laurier Park, Emily Murphy Park and the finish line is the MacDonald Bridge. The racers must pick up a garter (and a tab) from the lovely garter girls at each check point. That means that one member of the two-person raft must swim to shore, pick up the garter, swim back to their raft and be on their way. If they fail to pick up all the garters they will lose the race even if they come in first. Of course, we lose a few of our garter girls to the comedy rafts but hopefully we can keep enough to give out the tabs to the racers. So, no matter where you choose to watch the raft races, you will be in on the fun.

Remember to take your passports along with you as they can be stamped at any of the check points.

Ruby will be on the Paddle Queen to keep an eye on all of her racers and to say "Hi" to everyone along the way.

So pack up the kids and a picnic lunch and head for the river on Sunday, July 30 for the greatest Klondike event - the World Championship Sourdough Raft Races.

Services held for Anastazja Tywaniuk

The Reverend J. Kratko conducted prayers on Wednesday evening and requiem mass on Thursday, July 20 at Holy Cross Ukrainian Catholic Church in Edmonton for Miss Anastazja Tywaniuk of 104 Grosvenor Boulevard, St. Albert. Interment was in St. Michael's cemetery. Miss Tywaniuk passed away on Saturday, July 15 at the age of 69 years, as a result of cancer.

She lived most of her life in Poland and after the loss of her parents and most of her family lived alone, eking out a living on a small farm under considerable hardship. After more than two years of difficult negotiations her sister, Mrs. Katie Mescouski and her husband Carl were able to bring to St. Albert in 1976 where she lived out her days happily and well cared for.

Miss Tywaniuk is survived by one sister, Mrs. Katherine Mescouski of St. Albert; one niece, Mrs. Maria Wroblewski of Toronto, and one nephew, Mr. Roman Suberlak of Poland.

She was predeceased by her father, Carl, in 1927, her mother, Maria in 1945, her brother, Peter, in 1927 and two sisters, Mrs. Maria Suberlak in 1944 and Mrs. Anna Petryshyn in 1966.

RON MORRITT PRESENTS HOMES IN ST. ALBERT & NORTH EDMONTON

RON MORRITT

$48,900
O lot line, Grandin Park, 1152 sq. ft. featuring double heated garage, developed basement, excellent location, all immediate possession.

$53,500
Immaculate 2 bedroom home in Edmonton Park. Garage, stove, dishwasher, lovely treed lot 48' x 142'.

$64,900
Braeside, St. Albert.

OPEN HOUSE, SUNDAY, 2 - 4

Construction to start on dance-fitness complex

Excitement is mounting for Gladys Smith and Alma Hughes the owners of St. Albert School of Dancing and the new St. Albert Fitness and Court Club.

Construction will be starting any day now, as the green light has been given by the city.

The new complex across from the arena on Perron Street will house three large dance studio's, two of which can be converted into one large area, with adequate facilities for competative gymnastics.

The dance studios will be completely separate from the fitness and court club which will be restricted to a limited exclusive membership, and will include racquetball, handball, squash, exercise room, whirlpool, saunas, showers, spacious locker rooms, mezzanine lounge and viewing area. Also a large paved parking area will service both facilities.

Alma and Gladys have been in business in St. Albert for the past 15 years. They started their dancing school with 30 students in 1963 and have now expanded that enrolment to 500, which is proof that the service they provided has always been of the highest quality, they are confident that their new fitness and court club will enjoy the same success, and are aware of the importance of providing professional instruction in any specialized field.

K-Days Hotline

Edmonton Telephones and the Edmonton Klondike Days Association are pleased to announce the K-Days Hotline. The 471 - K-Day Hotline is a public service provided by Edmonton Telephones to inform the public of the many free daily activities and events that take place during Klondike Days.

By dialing 471 - K-Day, anyone in the city will have instant up-to-date information concerning events, times and places for that particular day of Klondike Days.

"Eddie Tel" and "Klondike Mike" will help kick off the brand new Klondike Days 471 - K-Day Hotline, at Fort Edmonton Park, Saturday, July 15 at 9 a.m.

Edmonton Telephones and the Edmonton Klondike Days Association hope that this service will assist everyone in enjoying Klondike Days 1978 to its fullest -- and are pleased to provide this service to inform the public of where the action is around town.

Eddie Tel and Klondike Mike say, "Dial 471 - K-Day, and find out what's happening today!!!!"

Around Town

A visitor from Kamsack, Saskatchewan, was telling us this week about her experience with tire-slashing in that town. She had all four tires slashed and in this instance the RCMP caught the culprit and he went to court. He was not sentenced and the visitor had not been able to discover what happened in court. "I needed a fence repaired, some yard work done and a lake cottage painted," said the woman, a working widow, "and I would have been satisfied if the judge had ordered the young man to repay in this way." Now she's afraid the boy has gone off laughing at the law, while she is over $200 poorer.

Brunelles' celebrate 59 years of marriage

Lucien and Pierrette Brunelle of St. Albert celebrated their 59th wedding anniversary July 15. Pierrette arrived in St. Albert in 1910 and Lucien made his way to the tiny community a year later. Roger and Jeannette, the Brunelle's son and daughter and most of their eight grandchildren and seven great granchildren gathered for the celebration.

Joseph Dennis Sewell passes

Mr. Joseph Dennis Sewell of 79 Lambert Crescent, St. Albert, passed away on July 11 at the Sturgeon General Hospital. The victim of cancer, he had suffered a lengthy illness and had not been able to work since December. He was 57 years old.

The Rev. Len Musto of St. Albert United Church conducted prayers on the evening of July 14 and funeral services July 15 at the Chapel of Chimes in Edmonton. Interment was in Evergreen Memorial Gardens.

Serving as pallbearers were three sons, Bill and David Sewell of Edmonton and George of Calgary, Colin Glanfield of Calgary, Brian Glanfield of Edmonton and Frank McGuire of Edmonton, Mr. Sewell's former employer.

A resident of St. Albert for the past six years, Mr. Sewell was construction superintendent for Cavan Construction Ltd. He was a member of the Longtown Town Lodge A.F./A.M. Carliasle, England, and of the Royal Canadian Legion, Kingsway Branch 175.

Mr. Sewell is survived by his loving wife, Margaret; four sons and two daughters, Bill of Edmonton, George of Calgary, David of Edmonton, Kenneth, Denise and Shirley of Vancouver; one sister and one brother, both of Surrey, England; two daughters-in-law, seven grandchildren and one great grand-daughter.

He will be sadly missed and long remembered by all who had the privilege of knowing him.

Thank You

We wish to extend our sincere appreciation and thanks to friends, relatives and those who served as pallbearers for the many acts of kindness, messages of sympathy and floral tributes received during the loss of my beloved husband, Joseph Dennis. A very special thank you to Dr. Underwood for the time he devoted to him, and the nursing staff on the fourth floor of the Sturgeon General Hospital and at the W.W. Cross Hospital. Special thanks also to the Rev. Len Musto for his inspiring and comforting words in our hour of sorrow, and to Mr. and Mrs. C. Glanfield of Calgary and their son Brian of Edmonton.

Mrs. Margaret Sewell and family.

Bourgeois Cameron REAL ESTATE LTD.

1200 sq. ft. 3 bedroom bungalow. 1½ baths, Rumpus room, garage, fully landscaped and fenced. 4 years old. Close to swimming pool and schools. **For showing call Corry Kliparchuk 458-5141 or 459-5249.**

Everything We Touch Turns to SOLD

Preparing for an attack

Penny Evans, 17 (front) and Jill Kampen, 18, were some of the participants in the Gatewood Park 'Star Wars' invasion. The two park co-ordinators along with a dozen young comrades staged the mock attack against an unsuspecting group of youngsters. In the photo on the right, the Gatewood youngsters were quick to repel the invading force before much damage was done with water-filled balloons.

Release publications for new businessmen

A publication designed to introduce new businessmen to the world of business financing has been released by the Alberta Department of Business Development and Tourism.

Financing a Business in Alberta is the second in a projected series of six handbooks directed at the new businessman in Alberta. Although not intended to replace the advice of such financial experts as accountants, lawyers, insurance brokers or bankers, it does highlight the considerations facing a businessman in the financial welfare of his business.

Included in the handbook is information on methods of business financing such as equity and debt financing, internal financing, how to choose and approach lenders, financial planning with special attention to cash flow, and an appendix on the methods and sources of financing a business.

"Financing a Business in Alberta is available at the offices of business development and tourism," said Bob Dowling, minister.

Civic holiday closing

The Edmonton Public Library and all its branches will be closed Monday, August 7 for the Civic Holiday.

Regular hours at all branches will resume on Tuesday, August 8.

OPENING SOON!!

BONNEVILLE CASUALS LTD.

CLOTHING BOUTIQUE

LIGHTNING STRIKES

Sunday evening's electrical storm may have been entertaining to most of us, but local Veterinarian Dr. Metz, found it somewhat less than amusing. About 10:30 a bolt of lightning crashed from the sky, knocking branches off a tree in the parking lot of Associate Medical Clinic and toppling a huge poplar in the rear of St. Albert Animal Clinic. The tree crashed down on the roof of Dr. Metz's garage, bringing with it, power and telephone lines. Fortunately her car, parked beside the garage, wasn't damaged. Assistants Femma Van As and Kelly Burgess are the pretty faces in the photo.

Fitness forum will be held Monday

A fitness forum will be held at the Edmonton Plaza Hotel - Main Ballroom, Monday, July 31, 1978 at 8 p.m.

The Forum will feature a presentation by Mr. Russ Kisby, Participaction Canada displays pertaining to fitness and demonstrations of fitness tests. Following these refreshments will be available.

This public forum is part of the 6th Commonwealth Conference on sport, physical education and recreation sponsored by the University of Alberta, Faculty of Physical Education and Recreation and the Canadian Association of Health, Physical Education and Recreation.

Oops - our mistake!

Last week's Gazette write-up of coming Klondike Days entertainment carried three errors. Buddy Knox, not Buddy Holly, will be appearing at the Saxony Motor Inn from July 31 - August 21 in the dining lounge. For those who thought an act of reincarnation had transpired, we are sorry to disappoint you. Gaber Lunzie will appear at the Edmonton Yellowhead for the first two weeks of the Commonwealth Games, not Klondike Days. Finally, K. C. Burke will appear at the Edmonton Inn, not the Holiday Inn.

What Caught Our Eye

PIGEONS, CLONES AND THE POST OFFICE
By Joan Proctor in the Detroit Times

The Canadian Postal System wants to have envelope sizes standardized to help speed up mail service. This request would seem fair enough, I suppose, if at the same time standardization of the size of the average postal workers was also introduced.

For instance, if they want all Canadians to use size 5 x 9 envelopes exclusively, they should demand all postal employees be 5 feet 9 inches tall. It would make things so much neater. All the stools in the mail sorting rooms could be the same height and all the slots could be at the same level.

Perhaps what could be done is to find a postal worker perfect in every respect and then run off thousands of clones. It would solve, once and for all, the problems of poor morale and lack of responsibility so prevalent in the country's postal workers.

Recent surveys showed the Postal System makes about 60 million errors each year and the postmaster general says, "That's not too bad!" Imagine the uproar if the medical profession made that many errors yearly.

If such a thing as uniform envelope size is introduced, the next thing will probably be uniform color, weight and number of words in letters being mailed in the uniform envelopes. All of this in a supposedly free country, where even the police have been given clearance to open and read anyone's mail!

Before licking that envelope flap, it may be necessary for Canadians to do a little secret coding.

A typical letter might end up like this:

Dear Mom, just wanted to tell you there's no need to worry about the three. The train only hit the seven of our 21 and I just got 89 broken and 304 crushed. Doctors say I may 79 and 510 or not. Seems 976 is a nice town but 38 isn't allowed so don't bring 300 if you visit on the 69 of four. Say hi to three PO. Love as always, 697-643-Z1.

I heard a faction in Canada is secretly training its own private mail militia in a remote base somewhere in British Columbia.

It has found the perfect postal system and is training thousands of carrier pigeons. The system promises to be a real breakthrough in hastening up mail delivery.

The head squab, Gilles Lapijoin, said the only problem encountered so far is from irate skylight owners. To date they have made 60 million drops.

CHARMING PET

Irene King of Mexico City, has an unusual occupation. Travelling with the Carson and Barnes Circus, the seventeen year old snake handler substitutes for her mother, the real snake charmer. Coiled around Irene's body is a Burmese-Python and a Boa Constrictor. *Photo by Al Popil*

Awards made to crime victims

Douglas Gablehaus of Calgary was awarded $11,794 by Alberta's Crime Compensation Board for dental work, prescription drugs and medical expenses. Mr. Gablehaus, 20, was assaulted last August when he went to the house to ask about a motor bike for sale. When invited inside he was beaten into unconsciousness, his face and neck were bruised, his chest burned and his teeth damaged. Three people were convicted of assault.

A Calgary policeman, Patrick O'Neil, 24, was awarded $1,700 for pain and suffering and $1,500 for lost earnings. He missed nearly three months work after he fell while chasing a man who had been involved in an accident with a patrol car in December, 1977.

Rose Moore, 63, of Calgary received $818 for lost wages, prescription drugs and other expenses she acquired while recovering from a broken kneecap. She was assaulted outside a grocery store in February this year by a man trying to steal her purse.

The Crimes Compensation Board was estblished to help victims of violent crime who suffer financial loss as a result of their injuries.

The Board may also award compensation for pain and suffering to applicants who are injured while trying to keep the peace. The chairman of CCB is Ernest Watkins Q.C., of Calgary.

Prices jump but growth slow

A sharp surge in inflation has taken place over the past several months, with food prices increasing at "a dismaying 36% annual rate," according to the Bank of Montreal's Business Review. Prices excluding food rose at 7.2 percent annualized.

In other areas the economy continues to move sluggishly and for the first quarter of this year the real GNP was announced at 2.8 percent, similar to 1977 when growth averaged only 2.7 percent, which the Review notes is well down from the economy's potential.

After a strong beginning housing starts are also on the decline in Canada, mainly in multiple-dwelling units, where starts were 31 percent lower in May than a year earlier. Single family starts were down by 11 percent across the country.

Statistics Canada gives the May housing starts by province, showing declines in all provinces except Manitoba, Nova Scotia and Newfoundland. Actual figures, with the figures for May, 1977 in brackets are Ontario, 5,016 (6,705); Quebec 4,772 (6,211); Alberta 2,473 (2,945)) British Columbia 1,848 (2,759); Saskatchewan 782 (810); New Brunswick 166 (214); Prince Edward Island 18 (22); Manitoba 830 (529); Nova Scotia 425 (329) and Newfoundland 111 (82).

While employment figures rose in the first quarter of this year at an annual rate of 3.2 percent, there was a parallel increase in the size of the labour force so that the unemployment rate remained stuck at its record-high level of 8.6 percent the Review reports.

Business Scene

Following a slow first quarter retail sales figures improved in April, rising at an annualized rate of 31 percent across Canada. The April figures were the first to show the impact of the sales tax cuts in all provinces except Alberta.

Farm cash receipts increased slightly in the first five months of 1978 across Canada, but under the inflation rate, with some provinces experiencing a decline. In Alberta they rose slightly to $937.9 million from $880.9 million in the first five months of 1977.

The Review notes that while growth is easing in the United States it is still strong. Total real economic growth in the second quarter of the year is forecast at 7-8 percent annualized, which would, if it were to continue, put an excessive strain on the economy. There are signs of a cooling off, however, mainly because of the sharp decline in auto production. Retail sales are sluggish and housing starts down, but business sales continue strong.

There is continued pressure on the U.S. dollar and the Canadian dollar also drifted lower in July. The dollar declined on news of the narrowing trade surplus, the large jump in the rate of inflation and further increases in short-term interest rates. Short term interest rates are expected to continue to rise in the United States, which will have an important influence on Canadian rates.

Wetaskiwin to host air spectacular

431 Air Demonstration Squadron, "The Snowbirds" will return to Wetaskiwin on August 5 to headline the Bert Wallis Memorial Air Show; Alberta's largest Civil Air Show for 1978.

Since its inception, the team has performed an average of 65 demonstrations each season across North America including annual visits to Canada's north. In 1974 the Snowbirds became the first display team to perform within the Arctic Circle and in 1975 performed a unique midnight show in "The Land of the Midnight Sun." On July 4, 1976 the team performed in Philadelphia, Pennsylvania as part of the United States Bi-Centennial celebrations as well as a performance at the 1976 Summer Olympics at Montreal. The 1977 season was highlighted by performances at the Canadian International Air Show at Toronto, and the National Air Races at Reno, Nevada. This year the Snowbirds will do a fly-by at the opening of the Commonwealth Games in Edmonton on August 3, and they will provide a full show at Wetaskiwin on August 5. Wetaskiwin is the hometown of Major Gord Wallis, commanding officer and team leader of the Snowbirds.

Also appearing at the Bert Wallis Memorial Air Show at Wetaskiwin will be 1977 Canadian National Aerobatic Champion, Mr. Al Hauff.

Al is certainly no stranger to Wetaskiwin and area. He spent the first 12 years of his life on a farm just northwest of Wetaskiwin, before moving into Wetaskiwin, where he completed his education. In 1962 Al joined the RCAF, where he gained considerable experience on various military aircraft including the CF 104 Starfighter jet. Presently Al flies a DC-9 out of Toronto for Air Canada.

Always interested in aerobatics, Al built his Pitts Special S-1C in 1975. In 1976 he began entering aerobatic competitions. A year later he became the Canadian National Aerobatic Champion.

Wetaskiwin will also host the Canadian Forces Helicopter Display team, "The Dragonflies". This will be their only appearance in Alberta during 1978.

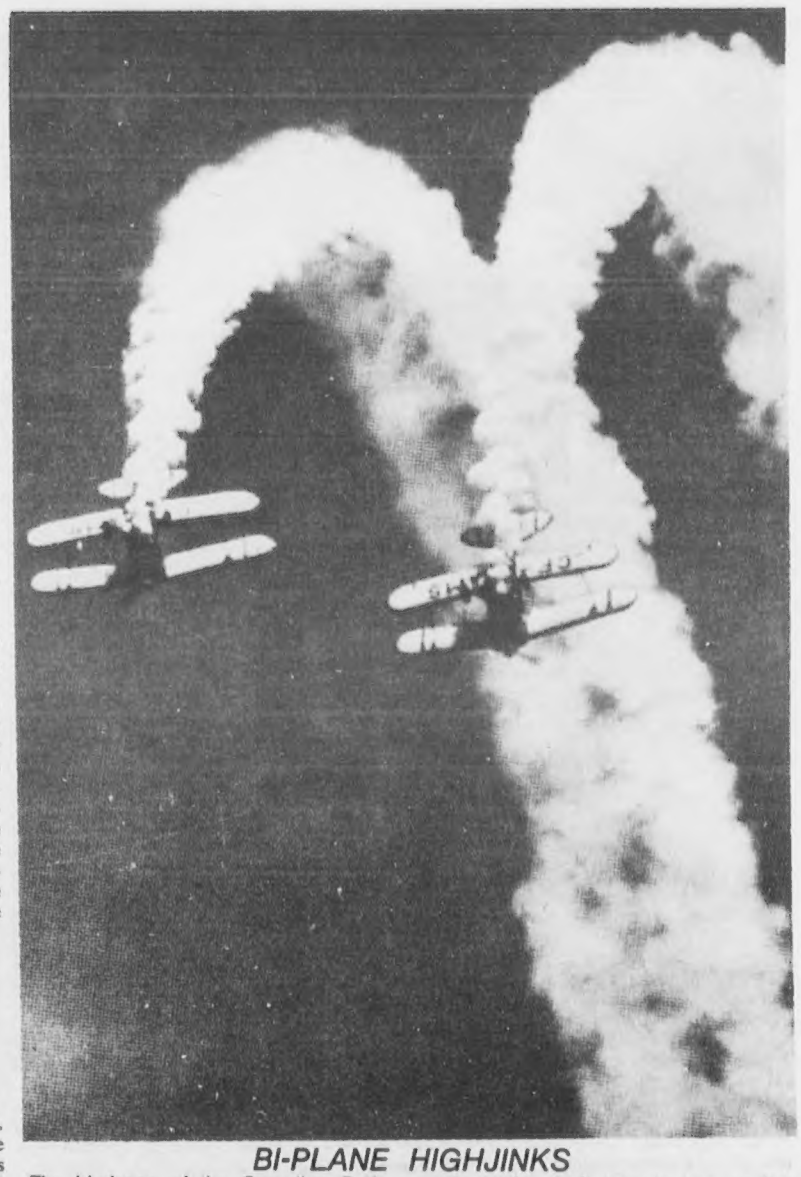

The Dragonflies are an aerial display team consisting of four Kiowa helicopters flown by instructor-pilots employed at Canadian Forces Base Portage La Prairie, Manitoba.

The display team (using the call-sign "Dragonflies") demonstrates the great manoeuverability of the Kiowa helicopter plus the skill and professionalism of CAF helicopter pilots, through a series of formation, solo and synchronized sequences.

The Kiowa is used to train all Canadian Forces helicopter pilots and some NATO forces pilots as well. In addition to pilot training, the aircraft is employed in aerial reconnaissance, aerial observation and direction of fire or tactical air support.

Also appearing will be the "Canadian Reds" plus many, many more professional acts covering the full spectrum of manned flight -- from hot air balloons to super-sonic CF 104 jets.

Plan to attend Alberta's Largest Civil Air Show for 1978 -- The Bert Wallis Memorial Air Show at Wetaskiwin Municipal Airport -- 6:30 p.m., Saturday, August 5th. If you have friends or relatives staying with you to see the Commonwealth Games, The Bert Wallis Memorial Air Show will provide the opportunity to see some of rural Alberta and a first-class air show all in one evening. Tickets will be available at the gate.

BI-PLANE HIGHJINKS

The bi-planes of the Canadian Reds execute a daredevil loop in one of their aerobatic routines. The aerial display team can be seen at the Bert Wallis Memorial Air Show, to be held at Wetaskiwin on August 5.

Human rights group seeking volunteers

The recent trials and subsequent incarcerations of Soviet dissidents Anatoly Shcharansky and Alexander Ginzburg have once again alerted the world to the inhuman tyranny associated with a totalitarian regime. Respect for the right of the individual to speak as his conscience dictates is ground under the heel of the supposed "collective will for the common good."

We in Canada have been fortunate in inheriting and maintaining a tradition of freedom of speech. However, it is up to the general public to ensure that these rights are maintained.

In Alberta, we are blessed to have an individual body which seeks to assist those who feel their rights have been infringed upon. Its concerns occupy a wide range of problems including discrimination in the areas of age, sex, religion, race and color. The Alberta Human Rights and Civil Liberties Association needs help, in the form of volunteer support and financial contributions, to continue its defense of those whose individual rights have been contravened.

If you sincerely feel motivated to aid the association in its work, contact The Alberta Human Rights and Civil Liberties Assoc., 10349 - 96 Street, Edmonton, Alberta. T5H 2H4, phone 424-4106.

Federal voting requirements noted

A reminder that only Canadian citizens may vote in federal by-elections and general elections has been issued by Jean-Marc Hamel, chief electoral officer of Canada.

"The Canada Elections Act of 1970 provides that only persons having attained the age of 18 years and who are Canadian citizens qualify as federal electors," said Mr. Hamel. "The Act also provides that British subjects who were not Canadian citizens, but who qualified as electors at the time of the 1968 general election, could continue to vote in federal elections for a period of five years following the coming into effect of the Canada Elections Act on June 26, 1970. Accordingly," stated Mr. Hamel, "since June 26, 1975 only Canadian citizens have had the right to vote in federal elections."

He also pointed out that British subjects who are not Canadian citizens may be entitled to vote in certain provincial or municipal elections if they meet the requirements of the applicable election legislation.

"As far as federal by-elections and general elections are concerned," said Mr. Hamel, "proof of Canadian citizenship is not required either at the time of enumeration or at the polls, but the eligibility of a would-be voter can be challenged by the deputy returning officer, the poll clerk, one of the candidates or his agent, or by any elector present at the poll. If challenged the would-be voter will be asked to produce satisfactory evidence of citizenship or to swear or affirm that he is a Canadian citizen." Anyone refusing to swear eligibility when required to do so will not be given a ballot and will not be readmitted to the poll. Mr. Hamel cautioned would-be voters that a false oath could result in prosecution.

Persons in doubt about their citizenship status should contact their local Court of Canadian Citizenship or the Department of the Secretary of State. These are listed in the telephone directory white pages under 'Government of Canada'. Courts of Canadian Citizenship are located in 28 major centres across Canada. In many other areas, citizenship officers, specially appointed individuals and provincial or county courts provide citizenship services. Enquiries may also be directed by mail to the Registrar of Canadian Citizenship, Department of the Secretary of State, Ottawa, Ontario K1A 0M5.

Around Town

Doug and Thora Millroy and their two younger children, Charles-Anne and Christopher arrived last weekend from Sault Ste Marie. Former residents of Sturgeon Heights, they have been visiting various friends around town and left today for Kamloops. They will be back next week to take in the Commonwealth Games.

St. Albert Billboard

SUNDAY, AUGUST 6 - An Open House will be held to honour the 75th birthday of well known St. Albert resident, Mrs. Mabel Gervais. The gathering will be held at the home of Ben and Leona Bruens, one-half mile east on Bellerose Drive. For more details, call 459-8591 after 6 p.m. No gifts please.

** ** ** **

SATURDAY, JULY 29 - Next to new Sale - Senior Citizens Centre north of the curling rink. The shop will be open from 1 - 4 p.m. and will again provide an opportunity to pick up clothing, footwear for all ages as well as household articles at rock bottom prices.

Mary-Jo Kozachuk puts the finishing touches to a coiffure at the new The Clippers hair salon at 76 Grosvenor Boulevard. Mary-Jo and husband Larry are owners of the new salon and employ two former salon owners - Arlene Anderson (reflection in mirror) and Bev Gamble.

Salon hopes to be a 'cut' above the rest

In the midst of an active day, a visit to the hairstylist can be both an enhancing and soothing experience. Larry and Mary Jo Kozachuk, owners of St. Albert's newest hairstyling establishment, The Clippers, have taken care to ensure that their patrons emerge from their salon with beautiful hair and revitalized spirits. Air conditioning provides a cool, relaxed environment in which the Clippers stylists can work their coiffure magic. The surroundings of rich cedar with mirrored highlights evoke a natural and restful feeling in customers enjoying a brief respite from the day's hectic pace. The Clippers interior was professionally designed by Unigroup Designs and executed by Hallmark Homes.

As well as being part-owner, Mary Jo Kozachuk is a trained stylist with previous experience at Eaton's Londonderry Salon. She received her training at NAIT. Working alongside Mary Jo are Bev Gamble and Arlene Anderson. Both women previously owned their own shops and so are no newcomers to the salon scene.

The stylists at the Clippers are equally at home attending to the hairstyling needs of both men and women. Indeed, on their opening day a number of men became satisfied Clippers customers. The stylists at the salon can give any of the new cuts and styles as well as the more classic looks. Several types of conditioning treatments are available as well as the popular henna. Perms, tints and colourings are available.

The elderly and very young customers are special people at the Clippers. The shop will be offering a 15% discount for senior citizens, as well as a discount for childrens' haircuts.

The Clippers is located at the shopping centre at 76 Grosvenor Boulevard. It is closed Monday, but open Tuesday and Wednesday from 9 - 5:30; Thursday and Friday from 9 - 9 and Saturday from 9 - 4.

Youngster scales new heights

At the ripe age of six years old, Wade Stewart has been nominated to the Guiness Book of World Records -- as the world's youngest tree scaler.

Clambering up a 25-metre pole at the B.C. Timber Show on the Exhibition Grounds, Wade joins his father Les, and five other men in an exciting competitive tree scaling exhibition.

The Stewart family each summer tours the North American exhibition circuit while Mr. Stewart is on leave from a tree felling job with MacMillan-Bloedel at Parksville, B.C.

Mr. Stewart competes against other lumberjacks in events such as axe throwing and log sawing. But it's young Wade who is often the real crowd pleaser.

With such an early start in log climbing, Wade obviously has no place to go but up.

Hideout

By Brian Leonard
Community Youth Worker

The Hideout has been closed due to vandalism. A few thoughtless people have ruined it for the rest. The teen executive has met twice to go over some ideas for possible reopening. If you are interested in the future of the centre please attend a members' meeting at the centre on Wednesday, July 26 at 7:30 p.m. Watch the door of the Day Care Centre for notices concerning community programs run by the Hideout staff during the closure.

Get to know the law

Student Legal Services of Edmonton in co-operation with Community Programs of the Public Library are holding a public lecture of the topic of "Separation and Divorce" on Tuesday, August 1 at 7:30 in the Music Rooms at the Centennial Library.

This lecture was previously scheduled for Tuesday, July 11 but was cancelled due to inclement weather.

Admission is free and everyone is welcome to attend. Call Community Programs and Publicity at 423-2331, Ext. 217 for further information.

Gravity ride thrills midway goers

An exasperated Ted Rozgonyi stepped off the thrilling Jet Star 11 on the opening day of the Conklin Shows midway with a smile from ear to ear.

"It's a really good ride -- really good. But it's for young teen-agers, not old folks like me," beamed the 41 year old Edmontonian.

Mr. Rozgonyi, who said he hadn't been on a ride like the Jet Star for 20 years, was just one of hundreds who thrilled to the high-speed roller coaster which lived up to its promise of being one of the unique features of the Klondike Days midway.

The Jet Star spins riders through a spectacular winding course at speeds of up to 60 mph.

"It was really fun," said young Donald Laflamme of McLennan, Alberta, whose family was in town for the excitement of opening day at the Ex.

The popular Jet Star drew large crowds, but many said it was worth the short, 10-minute wait in line.

"I thought it was worth the wait. It's a good ride," said Edmontonian Brian Hohn.

The Jet Star 11, billed as one of the most exciting gravity rides in today's amusement industry, was rivaled by the ever-popular Enterprise -- another of the favorite "thrill rides" on the grounds.

Hurtling its passengers into a vertical loop 75 feet high, the Enterprise promises to be an annual favorite -- and the Jet Star 11 could easily follow suit.

Going bananas over monkey business?

There's a lot of monkey business on the Exhibition Grounds this year, and midway patrons are going bananas over it.

The attraction is Garland Parnell and his trained monkeys, drawing crowds wherever they stage an impromptu performance.

Mr. Parnell, a Tampa, Florida, native, has been travelling the North America fair circuit for 25 years with his loveable performing monkeys, bringing laughs to people of all ages.

This year, the "monkey man" as he is known, has brought Sam and Louie to Klondike Days to entertain fair-goers. The two monkeys know dozens of tricks which Mr. Parnell says "are always a treat for children -- they just love to see them do their tricks."

How do the monkeys like show business?

"They love it," said Mr. Parnell. "They travel the continent in summer and spend their winters in Florida. It's quite a life."

AGT GOOD NEWS PARTY LINE

FOREST LAWN HIGH SCHOOL REUNION

* A Forest Lawn High School Graduation Reunion Calgary, Alberta, for all Forest Lawn High School Graduates, sponsored by the 1968 Graduating Class, will be held on August 12, 1978, at Happy Valley. There will be a barbecue and dance. Please contact Anita Sauer, P. O. Box 543, Carstairs, Alberta, phone (403) 337-3253, or Linda Bourbonnie, 227 Whiteside Cres. N.E., Calgary, Alberta, phone (403) 285-0495 for tickets.

OPEN HOUSE

* The family of Mabel Gervais extends a warm invitation to all of Mrs. Gervais' friends on the occasion of her 75th birthday. The open house will be held August 6 from 2 - 8 p.m., at the home of Ben and Leona Bruens, one-half mile east on Bellerose Drive. For more details phone 459-8591 after six. No gifts please.

HOLD CASINO FOR SHELTERED WORKSHOP

* The Edmonton Association for the Mentally Retarded faces the task of starting a sheltered workshop this fall. It will be available mainly to graduates from the Winnifred Stewart School who are unable to fit into existing vocational programs and facilities in the City of Edmonton. The new workshop will provide training and sheltered employment to about 30 people. To raise $30,000 towards the project as Casino will be held at the Northgate Entertainment Centre, on August 7 and 8, from 4 p.m. to 12 midnight.

Community Services Report

Submitted by the Department

TENNIS NEWS

A new method of time rotation will be used on the tennis courts beginning as soon as new signs are posted. Each court will be marked with a sign saying 0, 15, 30, 45 and these indicate the times the players on the court must vacate the court for anyone waiting. If playing on the zero court you must move off on the hour; on the 15 court at ¼ after the hour; the 30 court ½ past the hour and on the 45 court ¼ to the hour.

You will then have the court for one hour from the time you begin (provided you begin at the time indicated on the court). When it is time to vacate your court, you may wish to sit for the next available court. Tag holders may still reserve courts and if you are booking on the hour you will be booked on to the zero court (in the case of Mission would be court #4) if booking on the ½ hour, the 30 court (again in the case of Mission courts #2).

In the event of a conflict between the new rotation system and a court booking, the court booking takes precedence. When waiting for a court, sit quietly on the bench **inside** beside the court that would first become vacant.

The Akinsdale courts are nearing completion and should be available for play within a week.

There is still room in ladies beginners league which starts Tuesday, August 1 and continues each Tuesday and Thursday until August 24. These will be played 9 - 10:30 a.m. at the Mission Courts and the cost is $10.00. Application forms are available in the front office at City Hall or at the Community Services Building, 20 Muir Drive.

PLAYGROUNDS

Our playground leaders and co-ordinators would like to extend a big thank you to the parents who volunteered their time and services at the Mini Commonwealth Games held July 14. You all helped to make the day a big success.

Friday's are special event days on the Playgrounds. These are held at Lion's Park or in the event of rain, at the Perron Street Arena. The remaining two major events for this year's playgrounds are a Farmers' Market and Movie days.

The Farmers' Market will be held in conjunction with Pioneer Week, and will be staged on Friday, August 4 from 12 noon to 3:30 p.m. and will include a stage show, art show, craft and bake sales, bike rodeo, hayride, sheep shearing, tanning a hide and concession stands.

Playgrounds will finish on Friday, August 18 with Movie Days and a grand finale. The total program is yet to be determined but one thing we do know is that performances will be filmed on Cable T.V.

The children are thoroughly enjoying the involvement that they have with the Les Amis bilingual troupe. This troupe visits each playground once a week and lead the children in drama, dancing, singing and special crafts.

BABYSITTING REGISTRY

Do you need a babysitter? Do you want to babysit? The "Babysitting Registry" which is administered by volunteer co-ordinators can certainly help you in both circumstances.

If you are in need of either service, please contact the co-ordinator living in your area:

Akinsdale - Mrs. Clague, 458-0141; Braeside - Mrs. Sass, 458-3281; Forest Lawn - Mrs. McConkey, 458-5923; Grandin - Mrs. McCoy, 458-0842; Grandin - Mrs. Swekla - 458-4638; Lacombe - Mrs. Giger, 458-2693; Lacombe - Mrs. Childs, 459-6241 Mission Park - Mrs. Manegre, 458-0780; Sturgeon - Mrs. MacKenzie, 458-1240.

Remember this is strictly a referral service and co-ordinators are not responsible for the conduct of babysitters or the financial arrangements.

VOLUNTEERS WANTED

Consideration is being given to the formation of a Volunteer Resource Centre for the City of St. Albert. To investigate the possibilities, a steering committee is being formed. Anyone interested in the project or in obtaining further information should phone Helene Durand at 459-6601 extn. 44.

THE "NEXT TO NEW SHOP"

The "Next to New Shop" will be open in the Senior Citizens Centre (north of the curling rink) on Saturday, July 29 from 1 - 4 p.m.

This shop is one of the projects of the Senior Citizens Club and in operation on the last Saturday of every month. Contributions of clean, used clothing, footwear etc. in good condition are always acceptable and can be left at the Centre during the hours it is open.

There are always lots of bargains available in the shop and Mrs. Vaugeois, who is in charge, has a line of merchandise which ranges from baby clothes, to lamps to pots and pans. You never know your luck - you might be able to pick up the sweater or decanter you've been looking for.

All proceeds of the shop go towards the operation of the Centre and the Club's activities.

SENIOR CITIZENS

Many seniors will be sorry to hear that the regular Thursday programs, offered by the Meals-On-Wheels at the Senior Citizen's centre, has been discontinued for the summer. They will resume at the beginning of September. A big "thank you" to all the volunteers who have helped make this project a success and to all the Seniors who have also helped to make it a success by attending.

In the meantime, the meals are still delivered to those of you who are in need of such a service. Please contact Mrs. Hettie Blades at 459-4756 if you need more information.

On Friday, July 28 the regular monthly meeting of the Senior Citizens Club will be held in the Senior Centre. The meeting will start at 1:30 p.m. sharp.

Saturday, July 29 is the Next-to-New Sale from 1 - 4 p.m. at the Senior's Centre.

The annual picnic of the

IMPORTANT

Canadian Citizenship is required to vote in Federal Elections

The Canada Elections Act of 1970 provides that every man and woman who has attained the age of 18 years and is a Canadian citizen qualifies as an elector and is therefore able to vote in federal by-elections and general elections.

The Act also provided that British subjects who were not Canadian citizens but who qualified as electors at the time of the 1968 general election could continue to vote in federal elections for a period of five years following the coming into effect of the new Canada Elections Act on June 26, 1970.

Accordingly, since June 26, 1975 only Canadian citizens have had the right to vote in federal elections.

You do not need to produce proof of Canadian Citizenship either at the time of enumeration or at the polls. However, if challenged at the polls, you may be asked to swear that you are a Canadian citizen before voting.

If you wish to apply for Canadian citizenship or if you have any doubts about your status as a Canadian citizen, please contact:

The Court of Canadian Citizenship nearest you listed under **"Government of Canada"** in the white pages of your telephone directory as follows:
Citizenship Inquiries, or
Court of Canadian Citizenship, or
Secretary of State.
OR – You may wish to write directly to:
Registrar of Canadian Citizenship,
Department of the Secretary of State,
Ottawa, Ontario, K1A 0M5

There are Courts of Canadian Citizenship located in 28 major centres across Canada. Citizenship officers, provincial or county courts, and specially appointed individuals provide citizenship services in many other areas. You will be referred to the most convenient location.

THE GRANTING OF CANADIAN CITIZENSHIP TAKES AN AVERAGE OF THREE MONTHS FROM THE DATE OF APPLICATION.

This information is provided as a public service and issued jointly by the Chief Electoral Officer and the Registrar of Canadian Citizenship, Department of the Secretary of State.

JOHN ROBERTS
SECRETARY OF STATE

JEAN-MARC HAMEL
CHIEF ELECTORAL OFFICER

Education Gazette

Canada Council distributes books

The Canada Council has distributed more than 123,000 Canadian books worth $700,000 in its book purchase and donation program for 1977-78.

The book purchase and donation program is designed both as an encouragement to Canadian writers and publishers and to help organizations that have limited budgets for book purchases.

This year, 476 Canadian organizations received books out of 1,100 that applied. Among the recipients are libraries in rural communities, community groups, senior citizens' clubs, hospitals, prisons, drop-in centres, primary schools in remote areas, and high schools that provide library service to the community. Books are also distributed abroad through the Department of External Affairs.

The books for 1977-78 were bought from 105 Canadian publishing houses, of which 69 publish in English and 36 in French. Each kit was made up of 200 titles, with 234 kits of English-language titles, 193 French-language, and 58 bilingual (100 books in each language). Organizations in the Atlantic Provinces received 75 kits, Quebec 158, Ontario, 94, Prairies and Northwest Territories 90, British Columbia and the Yukon 59.

The next deadline for applications is January 31, 1979.

Application forms will be available from the Counil in October.

Canadian honored by honorary membership

His recent return to the University of Alberta proved to be a memorable trip for 82 year old Dr. Vladimir Ignatieff.

Dr. Ignatieff, who was a student and later a lecturer at the University during the 1930s, attended the Eleventh Congress of the International Society of Soil Science June 19 - 27 and was elected an honorary member of the society.

He is the first Canadian to be honored in this manner.

Dr. Ignatieff, whose election brings the honorary membership to 15 individuals, was nominated by Dr. C. F. Bentley and Dr. J. A. Toogood, professors of soil science at the University of Alberta.

Much of Dr. Ignatieff's career was spent with the Food and Agriculture Organization of the United Nations. His agricultural qualifications allowed Dr. Ignatieff to be a member of the support staff at the Quebec conference where the FAO was created in 1945. He was later stationed in the Washington and Rome offices.

From 1960 until his retirement in 1970, Dr. Ignatieff was head of the land and water division of FAO and was one of the most senior Canadians on staff.

He personally prepared the first edition of Efficient Use of Fertilizers, an FAO publication which has been used extensively on an international level.

Dr. Ignatieff was born in Kiev, Russia, one of five sons of Count Ignatieff, minister of education in Czarist Russia.

The Ignatieff family emigrated to England and Vladimir later attended Wye Agriculture College in London, graduating in 1927 with a Bachelor of Science degree.

After working on farms at Richmond, Quebec, and Fairview, Alberta, and at the Agriculture Canada Research Station at Beaverlodge, Alberta, he registered for a master's degree program in the University of Alberta's department of soil science and received that degree in 1932.

He then studied at the University of Toronto and obtained a Doctor of Philosophy degree in biochemistry in 1935.

Dr. Ignatieff joined the academic staff of the University of Alberta in 1946 and, in addition to lecturing, conducted research on sulphur deficient gray wooded soils as well as on forms of iron in gleizolic soils.

He enlisted in the Canadian Armed Forces in 1940 and later tranferred to chemical warfare work.

Dr. Ignatieff holds memberships in a number of Societies including the Agricultural Institute of Canada, the Canadian Physiological Society, the Institute of Chemistry or Great Britain and Northern Ireland (Associate), and the Canadian Hunger Foundation.

In 1975 he received an Honorary Doctor of Science of Agriculture and Food Degree from Laval University.

Dr. Ignatieff is married and has resided at Richmond, Quebec, since his retirement from FAO in 1970.

Conference to study dance and the child

Dance and the Child, an international conference that includes performances, practical workshops, and position papers and addresses is set for the University of Alberta July 24 - 27.

The conference, which will take place in the Students' Union Building Theatre and the Education Centre, is sponsored by the Canadian Association for Health, Physical Education and Recreation; Alberta Culture and the University of Alberta.

Dancers and dance authorities from Austria, Australia, Belgium, England, Jamaica, Korea, Mexico, Norway, the Philippines, Sweden, Yugoslavia, New Zealand, Scotland, Cameroun, the United States and Canada will attend the conference.

Three sub-topics, the child as spectator, the child as performer, and the child as creator are at the centre of the conference. They are designed to provide impetus for the creation of a history of dance and a literature of films on the dance for the specific use of children, to increase consideration of the nature and roles of children as performers and the importance of preserving a dance heritage for the child, as well as to foster an understanding of creative dance as an art form.

Among the dance groups scheduled to perform are the Harehills and Carnegie Dance Group from Leeds, England; the University of Utah Children's Dance Theatre from Salt Lake City; Entre Six Company from Quebec; the Alberta Ballet Company; and the Hong Kong Dance Theatre.

The conference, which will have its official opening Monday, July 24, at 8 p.m. in the SUB Theatre, will also screen a number of international films on children's dance and feature a display depicting children's art, language, and attitudes to dance across Canada.

Professor Joyce Boorman of the University of Alberta's Department of Movement Education is the conference chairman. Inquiries about the conference should be directed to her office; telephone 432-2748.

U of A hosts music competition finals

The 1978 national finals of the Canadian Music Competitions will be held July 20-27 in Convocation Hall at the University of Alberta.

This is the 20th year for the competitions and the university locale marks the first time that they have been held outside of Quebec.

A total of 68 candidates including eight from Alberta will perform classical compositions in voice, piano, strings and wind categories.

Approximately $50,000 in prize money is associated with the competitions which begin Thursday, July 20, at 7 p.m.

Judges for the event are H. Leyton Brown, Regina; Victor Feldbrill, Toronto; Irving Heller, Montreal; Krystyna Jamroz, Poland; Alfred Kanwischer, Nashville, and Jean Vallerand, Quebec city.

A gala concert will be presented Thursday, July 27, at 8 p.m. The compositions played at this concert will be the same as those played during the competitions.

Tickets for the gala concert are priced at $5 per person while tickets for individual competitions are $1 per person. A complete set of tickets excluding the gala concert may be purchased for $7.

All ticket sales will be conducted at the entrance to Convocation Hall in the Arts Building.

On The Home Front

Equal pay cases settled

Several months ago a female sales clerk at a co-op in Alberta filed an equal pay complaint with the Alberta Human Rights Commission. She alleged that she was doing essentially the same work as the male employees but was being paid less. The Commission's investigation revealed that while she had been hired initially as a clerk-cashier, she was performing the same duties as the male sales clerks from the day she was hired. Because of the inequality in pay, the complainant received $1,094 in retroactive wages. The company also submitted a statement of non-discrimination to the Commission and re-classified her as a sales clerk.

This case was one of four equal pay cases settled by human rights officers during the month of June. A total of 31 cases were closed - most involving complaints of alleged discrimination in employment because of sex. One such case involved a woman who worked parttime as a bar maid. She claimed she had been terminated from her job because she was pregnant ... and Commission investigation substantiated her claims. Her employer's allegation that the complainant had frequently been late and absent because of her condition was not supported by work records or by fellow employees. This case was settled when the woman received $391.04 in back wages.

Scull races

The river events at this year's K-Days will feature the exciting rowing races on the North Saskatchewan River. There will be three races taking place on Saturday, July 29, including the lightweight, youth and women's classes. The races will take place between the Quesnell Bridge and the Groat Road Bridge. On Sunday, July 30, in conjunction with the other raft race events, scull races will continue with the four to eight men rowing teams.

Raft races

The site of the starting of the 1978 Sourdough Raft Races is again Terwilliger Park. The course will be the North Saskatchewan River and the action will be everywhere. The bank of the river will provide the stage to enjoy the raft race antics. The Sourdough Raft Races will take place Sunday, July 30 starting at 9 a.m.

Inform creditors if payment available

If you're making payments on a house, car or furniture, you may not like to think of what would happen if your pay cheques stopped coming in.

Unfortunately, strikes, layoffs, or illnesses have a way of cropping up when you're least prepared for them. The way you handle your creditors during these periods can have a lot to do with whether you're able to hang on to assets you may have spent years acquiring.

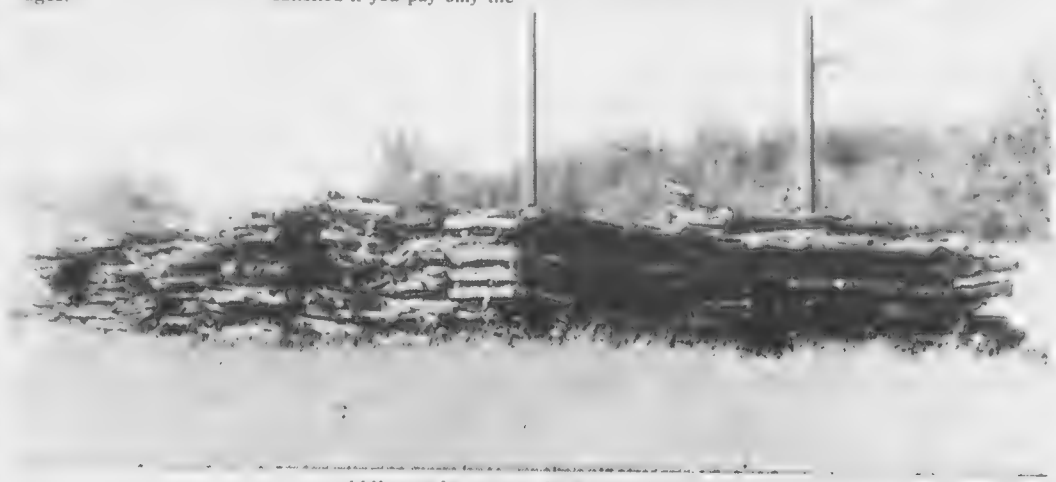

Don't fall victim to the myth that a creditor must wait a certain period of time before beginning collection action, or that he has to be satisfied if you pay only the interest on your debt.

As well, a creditor does not have to defer action if the reason you're unable to pay is beyond your control, such as a strike or illness.

Your legal obligation to repay is set out in your contract, and it remains the same no matter how your personal circumstances change. In the words of another contract, you're committing yourself "for better, for worse; for richer or poorer; in sickness and in health;" and in some cases, as the executors of your estate may find, after "death do you part."

The moment you know you won't be able to make a payment, contact the lender and explain the situation. Don't wait until the payment is overdue, or assume everything will be fine if you make a double payment the next month. You may have good intentions, but your creditors have no way of knowing that.

If your payment record has been good, your creditors will probably agree to give you additional time to pay. If they won't, or your ability to repay does not return within a reasonable length of time, you'll need some financial counselling. You can get it from Alberta Consumer and Corporate Affairs.

Villainy vanquished: virtue victorious at the Citadel

By Vicky Knight

Virtue won out over villainy at the Citadel Theatre Monday night, and the victory seemed intensely satisfying to the packed house cheering, booing Klondikers. "Adrift in New York," this year's Klondike melodrama produced by the Walterdale Theatre was well received by the audience, despite the fact it could do with some additional work.

Addison Aulger's melodrama tearfully recounts the plight of Nellie Weston -- the Flower of her Family -- a young woman "cru-ell-y" exploited by the unscrupulous "Desperate Desmond." Poor, pure Nellie, played by Cheryl Heikel is lured by this bounder to the Bowery and left to fend for herself, or face life as a fallen woman. Her choice is clear -- virtue will out. In the meantime, the "poor but honest" Jack Merriwell, our hero, played by Joel Cochrane follows in hot pursuit of the heroine, determined to snatch both her and her father's farm from the clammy clutches of Desperate Desmond.

Prepping the audience for all this mental anguish Monday night, was Allan MacInnes, standing in for his sister Christine MacInnes, the regular emcee. Mr. MacInnes proved himself more than equal to the task, as he gamboled and carolled across the stage with great panache. The audience response was slightly timourous at first, but people eventually warmed to their role. Hisses, boos, cheers and coos sounded at appropriate points in the proceedings. However, from where I sat, the "plants" were disappointing These individuals are strategically placed in different parts of the theatre for the purpose of some droll heckling and smart cracks. Unfortunately, their voices were thin and some of their remarks lost their sting. Which brings me to another thought relating to the actors' response to audience participation. The cast tended to resume speaking before the din had subsided and some choice bits were lost in the uproar. Perhaps a lengthier pause could be taken while the audience regains its composure.

There were some innovative touches in the melodrama that livened up a production which tended to drag in places. The hero's "idiot strings" and clodhopper boots combined with his beaming smile to guarantee him a laugh at every entrance. Wayne Hunter rendered Hi Perkins, that stalwart arm of the law, in the grand manner of Deputy Dog (of TV cartoon fame). Nellie's diction was redolent of a small town elocution teacher and consistantly brought chuckles. In the role of Desperate Desmond, Paul Wood was sufficiently dastardly to provoke a constant flow of sibilants.

The second act is the weakest part of the melodrama, with Act three the strongest. The Bowery scenes in Act 2 are somewhat bewildering, with people dashing hither and yon with ambiguous reference to the plot. If this scene could be tightened up, the production could move along with a little more alacrity and clarity.

REFRESHING REMINDER

Attendance at the melodrama is a refreshing experience, recalling as it does the more uninhibited days of the theatre. This type of production serves as an hilarious reminder that the audience is an integral part of the theatrical experience. Although I wouldn't advocate heckling at a modern performance, the melodrama points out that audience reaction works to influence any production. No audience is obliged to sit in obsequious gentility through an abysmal play, nor must they restrain their reactions to a great one. Drama is a collective happening and the hyperbole of the melodrama provides an apt illustration of this often overlooked fact.

Fast company!

Feature being filmed at Speedway

Want to see yourself in a feature film? All you have to do is be at Speedway Park this weekend and you might be in the movies.

Production is going ahead at the park right now for the feature length film titled Fast Company.

The drag racing feature is being produced by Peter O'Brian and Courtney Smith in association with Quadrant Films of Toronto. Director of the $800,000 celluloid flick, David Cronenberg, has previous experience in the movie business with features Shivers and Rabid

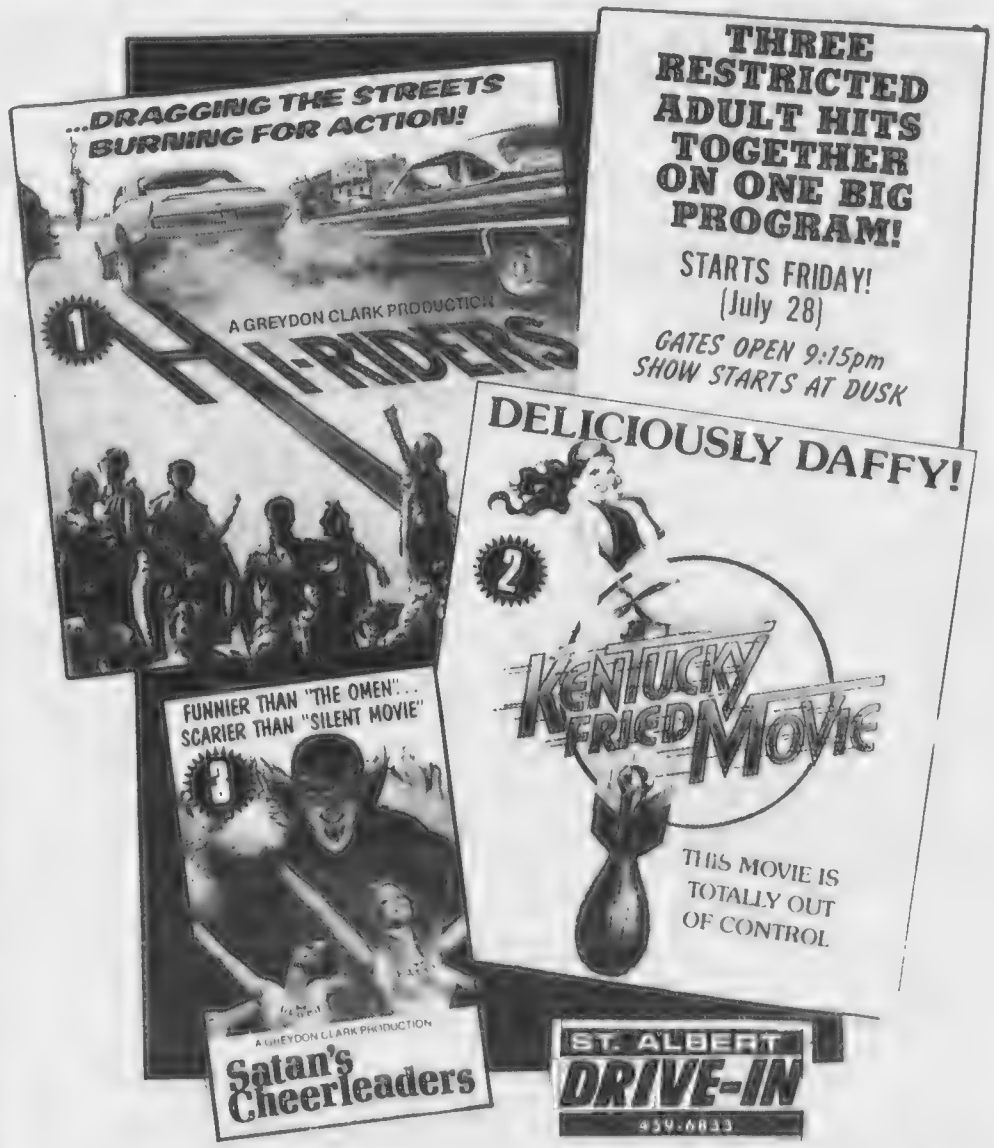

Starring in the fast paced drama is William Smith who plays Lonnie "Lucky Man" Johnson. Smith will be best

Please Turn to Page 16

In Production

Taking time out to discuss a scene for the movie Fast Company is actor William Smith, Prop Director Peter Lauterman, actor Neil Dainard and Director David Cronenberg.

Speedway

Continued From Page 15

known for his role as Falconetti in ABC's Rich Man Poor Man. Other credits include Caribe, C.C. and Company (with Joe Namath) and Paul Lynch's Blood and Guts (in which Smith had the starring role.

Lonnie (William Smith) is a champion drag race driver who is at odds with his cars sponsor, Phil Adamson of Fast Company Oil Treatment. Adamson is a man who apparently wants to win at all costs, legal or otherwise.

Despite trackside sabotage and financial strains, Lonny is determined to win the most important and crucial race. '240' Gordie Bonin, Terry Capp and Graham Light are acting as technical advisers as well as appearing on the track.

With casting completed by mid-June the cast and crew moved to Calgary, July 22 to begin principle photography. The bulk of the film, done at Edmonton International Speedway, started last Monday and will conclude a week from tomorrow.

If you want to see a funny car and a top fuel dragster destroyed by stuntmen be there this Monday, July 31 at Speedway Park. Gates open at 5 p.m.

Final production at Barter Theatre

As the final production of its 1978 Summer season, Alberta Barter Theatre will present Something's Afoot by James McDonald, David Vos and Robert Gerlach. It is directed by Keith Digby with set design by J. Fraser Hiltz and costume design by Sheila Haley. The play has in its cast Theresa Tova, Wally McSween, Robert Ouellette, Jennifer Riach, Stephen Walsh, Lorraine Behnan, David Lerigny, Kent Staines, Gwynyth Walsh and J. Fraser Hiltz. Music Director is Sylvia Maltby and stage management is by Lloyd Fitzsimonds.

Something's Afoot can be summarized as a murder mystery musical comedy. Presented in the finest Agatha Christie fashion, the play depicts the plight of a group of people spending a weekend in a large manor house on an isolated island. The weekend is shattered as one by one they are murdered by an unknown assailant. In the true British fashion, the guests sing their way calmly through each murder, determined to discover the reason behind them. Containing everything from lost heirs to spearated lovers (and of course, a butler). Something's Afoot's

McMurray Saga

Tanya Ryga and Jonathan Barker appear as part of the story of Fort McMurray, as told in "Hard Hats and Stolen Hearts," which plays at Theatre 3 from July 26 through August 12. The play is produced by Theatre Network as part of Festival 78.

PROVERBS 15:25

The Lord will destroy the house of the proud: but he will establish the border of the widow.

BEAUMONT REALTY LTD.

Nostalgia Morinville

This 1300 sq. ft. bungalow will bring you back to the good old days when quality was what you got when you bought a home. Care and planning have made this floor plan very attractive to the modern housewife; from the loads of cupboard space in the large kitchen, the sliding patio doors to the sundeck, the formal dining room, the sunken living room, with a beautiful brick corner fireplace, to the bay window. All the bedrooms are large, with the master bedroom having a 2 pce. ensuite plumbing and his and her closets. The basement has RIDP. To view this delightful home, **Call Lorne Strumecki at Res: 474-3989 or Bus: 459-7786.**

Birth of the blues

with Simon

Play the blues, man ... Hey! Sing me some blues; I feel blue today ... The blues is a state of mind, and most important of all, it is music. Without the blues, there would be no contemporary music as it is known today. Most historians and musico-ethnologists tend to generally locate Blues in North America (the U.S. to be exact) without really going into its history, or waking up to the fact that it is a living art form, both in its foreign home in America, and in its roots in Africa.

Africa is a very big continent, and there are literally hundreds of tribes, each of them with its own culture, morals and other codes of living. But one important thing that ties the people together is music, and dance.

Before I go further, here is an excerpt from the National Geographic Magazine of Dec. 1971: "Long dismissed as primitive, African music is actually extremely complex. Drums and bells, flutes and string instruments play from five to as many as 12 different rhythms simultaneously. Western music seldom employs more than two. African dance corresponds to the same pattern. Movement of various parts of the body follow separate rhythms in an apparent freedom expression that, in fact, requires great precision and control. Slaves brought their music with them across the Atlantic. African influences can be heard in the 'rumba' of Cuba, the 'calypso' of Trinidad, the 'samba' of the Caribbean and South America, and of course, in North America music."

Blues as a music form came into existence as the result of forced emigration of millions of Africans from the West Coasts of Africa to North and South America and the Caribbean. In its very early form, it is the lament of a homesick people, it sometimes vocalizes their hopes and aspirations, protests, and eventually it is the salvation of many ghetto kids.

In its more general form today, playing or singing the blues is the personal emotion of the individual finding through music a vehicle for self expression. It is also social music, it can be music for dancing and drinking by, it is the song of the casual guitarist on the back stoop, the music of the piano player; blues is all things to all people. So it might be safe to say that the blues is the story of humble, obscure, unassuming men and women, and it is the story of some whose names became household words.

In Western Nigeria, parts of Eastern Ghana, Togo and Dahomey (West Africa), there are still the traditional musicians who 'sing' or 'shout' their tunes over the backdrop of various drums, flutes and string instruments. What is very peculiar is the "talking drum". This drum does exactly what its name suggests.

The making of a talking drum is quite an affair, and what's more, its manufacture is reserved only to the guild of drum makers, and the knowledge is passed from father to son or daughter through generations. They are made in various sizes ranging from bass to treble.

The function of the talking drum is to accompany the vocalist, through a series of wide-ranging atonal music. Obviously, there were no drums of that calibre in the Americas when the Africans came, and most conventional European instruments were lacking in range and tonality.

It is extremely difficult to sing and accompany yourself on the trumpet at the same time; the human voice could not be duplicated on the banjo because of its crispness of tone; the piano could only play a dozen notes or so; and conclusively the early blues were sung as "field hollers" with no instrumental accompaniment whatsoever.

A few years back, I took an English friend of mine, a resident in Nigeria at that time, to a local musical concert. Even though he was a good musician, he couldn't figure what was happening. You have to free yourself from the shackles of conventional "scales" as known in classical music to fully appreciate most ethnic music

A German musician called Karl Stockhausen understands the so-called primitive music so well that he actually composes pieces for it. He calls it "universal music". Of course, as most conventional instruments are very limited, Stockhausen travels extensively in Africa to tape atonal music, on top of which he puts layers and layers of sound from electronic music synthesizers.

Another well-known rock drummer, Ginger Baker (ex-Cream) now lives in Africa where he owns a 16-track studio dedicated to the documentation of African music before the march of civilization destroys everything.

Next week: The blues in North America and the Caribbean.

Home of the Week

THREE BEDROOM SPLIT LEVEL

Plan No. P4-3-217

A three bedroom split level family home with all the extras is featured in this plan of the week.

The exterior shown here is clad in wood siding, however you could use aluminum or vinyl according to your taste. Finish off the roof with cedar shingles, shakes or install tile roofing.

Modern tile roofing is available in colors to match your decor, is fireproof and beautiful. While initially expensive to install, these tiles are usually economical in the long-term. If you're thinking of tile, check with a building supply dealer about prices, and special installation instructions.

Illustrated here is a double carport, which can be covered in as a double garage, depending on your needs. The covered front entry, just steps from the carport has a convenient guest closet.

Three steps lead from the foyer to the living room, with its vaulted ceiling and a wood-burning fireplace. The dining room has a built-in alcove to accomodate a china cabinet, or have shelves or a cabinet custom built right into the wall to match your room decor.

The modern kitchen and nook have plenty of room for all the modern conveniences which make meal preparation a joy. Down three steps from the kitchen is the family room, which depending on the design you choose, can be observed from the kitchen. There's another fireplace here, and sliding glass doors to the backyard.

Put an outdoor patio here, and summer Barbeques will be conveniently close to the kitchen. Just off the family room is the laundry room, with an outside door, and roughed-in plumbing. This design would be a delight to the gardener, to clean before entering the family room.

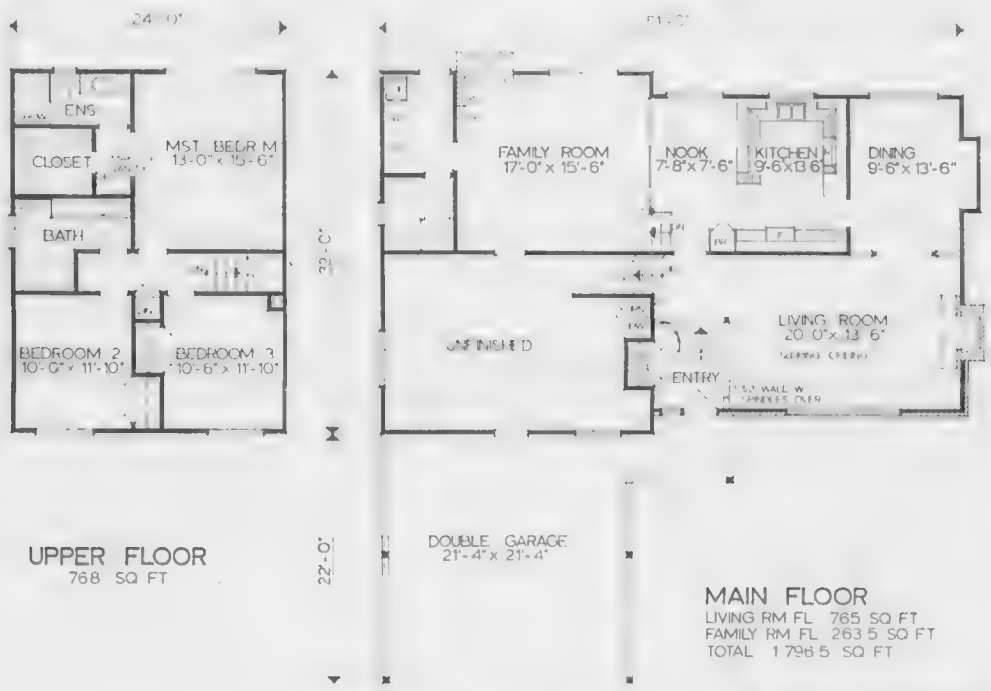

On the same level as the family room, there's a large unfinished area which would be perfect for a workshop, den, or even an extra guest bedroom.

Up three steps from the kitchen nook area is the upper bedroom floor, The master bedroom has a make-up vanity built-in, its own three piece shower ensuite, and a walk-in closet. The other two bedrooms, each with frontal-view windows, share a common three piece bath.

With a total of almost 1800 square feet of usable living area, this home design offers many of the required extras for today's growing family.

Plans for Design No. P4-3-217 may be obtained at a cost of $88 for a set of three and $9 for each additional copy. Allow $2 to cover postage and handling.

To view more than 100 well-designed quality homes of every type, send for the current publication of the Home Plan Catalogue, available for $2.60 ($2.25 plus 35¢ postage and handling). Make all cheques and money orders payable to "Plan of the Week" and mail to: Plan of the Week c/o St. Albert and Sturgeon Gazette, 324 Columbia Street, New Westminster, B.C. V3L 1A6.

London bus back on road

After 25 years and one million miles, London Bus #102 is back in service, as a completely mobile fish and chip stand at Edmonton's Klondike Days '78.

When Bruce Clark drove th. 11 ton, 6 cylinder bus here from Toronto, he travelled at a brisk 40 miles per hour (top speed) and got 10 miles to the gallon.

The biggest problem was keeping it from running out of gas. London buses have no gas gauges!

'Last frontier' comes to Alberta

In villages throughout West Africa, words are coming alive. Spoken languages are being given a written alphabet form, and people are reading for the first time.

Messengers of Christ -- Lutheran Bible Translators, an independent, linguistic ministry headquartered in Pembroke, Ontario, will be conducting a series of informal dinner meetings October 20 to November 2 in Alberta cities.

Frontier work of Bible translation will be the topic of these rally meetings as Rev. Howard Kuhl, director of Development for Lutheran Bible Translators, Canada, speaks for missionary linguists and their exciting work in remote corners of the globe.

"Linguistics is a real mission frontier left to us. All other mission work can be effected by today's electronic media.

But linguistics still requires the person-to-person involvement between the native speaker of the language and the linguist who is translating," says Rev. Kuhl.

What exactly is the frontier aspect of linguistics?

"It's the excitement of seeing a traditionally oral language gradually emerge into written form with its own alphabet and grammar!" says the director.

"Not only does the language undergo a creative change," says Rev. Kuhl, "but so do the people who speak it."

The advent of primers, stories, Scripture portions, and finally the New Testament into what had once been a pre-literate culture does effect dramatic and lasting changes within the lives of the people.

The proposed Alberta schedule is as follows:

October 20 - Westlock-Barrhead and October 21 - 24 - Edmonton.

The dinner rallies will be at 7 p.m. in restaurants to be announced shortly. Check your home church bulletin for details on reserving your seat at the dinner nearest you.

All dinners are complimentary, and a free will offering will be taken.

LET now spans the continents with 140 workers in 14 countries working in 40 languages.

SWEARING

The Lord will not hold him guiltless that taketh his name in vain. Jesus said swear not at all. Here is a list of things that I copied and do not know who the author is.

10 REASONS WHY I SWEAR

1. It pleases mother so much.
2. It is a fine mark of manliness.
3. It proves I have self-control.
4. It indicates how clearly my mind operates.
5. It makes my conversation so pleasing to everybody.
6. It leaves no doubt in anyone's mind as to my good breeding.
7. It impresses people that I have more than ordinary education.
8. It is an unmistakable sign of culture and refinement.
9. It makes me a very desirable personality among women and children and in respectable society.
10. It is my way of honoring God who said "Thou shalt not take the name of the Lord they God in vain."

"A YOUNG AND GROWING CHURCH"

BAHA'I

THEME OF THE BAHA'I FAITH -

THE UNITY OF MANKIND

The basic teachings of BAHA'U'LLAH is the **oneness of the world of humanity.** Addressing the whole of mankind He says: "Ye are all leaves of one tree and the fruits of one branch."

The Universal House of Justice adds: "When Baha'u'llah proclaimed His Message to the world in the nineteenth century He made it abundantly clear that the first step essential for the peace and progress of mankind was its unification. As He says, 'The well-being of mankind, its peace and security are unattainable unless and until its unity is firmly established.' To this day, however, you will find most people take the opposite point of view; they look upon unity as an ultimate, almost unattainable goal and concentrate first on remedying all the other ills of mankind. If they did but know it, these other ills are but various symptoms and side effects of the basic disease -- disunity."

Box 87, St. Albert 459-4951

Local girl wed in spring ceremony

May 6, 1978 was to most of the world a perfectly normal, if unusually nice, Saturday. But to two special people, and many others with lives in their orbit, it shall always remain a Day to Remember. Joanne Seitz of St. Albert, Alberta, and Gregory Harris of Middleton, Nova Scotia, were married in Braeside Presbyterian Church by Reverend Noel Gordon.

By 4:30 the guests were seated and the wedding car was coming to a halt at the church, and the groom with his attendants about to march to the altar. To the chimes of the organist, the bridesmaids in spring colors of blue, yellow and pink entered the church. The bride wore an almost Grecian gown of white chiffon over taffeta. On the arm of her father, she slowly walked to meet Gregory and the ceremony began. Joanne was attended by Carol Eschak as matron of honor and bridesmaids Cindy Harris and Carolyn Seitz. Ross Bishop was the best man and ushers Peter Harris and Douglas Cinnamon completed the wedding party.

Joanne, daughter of Mr. and Mrs. E. A. Seitz of St. Albert, has lived in Alberta for 12 years. Gregory, son of Mr. and Mrs. John Harris of Middleton, Nova Scotia, has only recently come to western Canada and his parents are still residing in the Maritimes. Relatives from as far away as British Columbia and Nova Scotia were in attendance.

A reception for 75 guests was held at the Scandinavian Centre in West Edmonton. The union was happily celebrated with a dinner and dance enjoyed by all.

MR. AND MRS. GREGORY HARRIS
[nee Seitz]

Barter Theatre

hilarious antics will definitely keep you highly entertained.

Something's Afoot runs from August 2 to August 20 (except Mondays) nightly at 9 p.m. Tickets are $3.50 - adults, $2.50 - students and senior citizens and free to preschoolers. All tickets are available at the door. All performances take place outdoors (weather permitting) at Alberta Barter Theatre, 112 Street and 82 Avenue or indoors at Studio Theatre, same address. Parking is available on the west side of Corbett Hall on the University Campus. For more information phone 432-2495.

services

Continued From Page 10

Seniors will be held on Tuesday, August 1 in Lions Park starting at 12 noon weather permitting, if not, it will be held in the Senior Citizen Centre.

This year, a group of Seniors from the McCauley and Bissell Drop-in Centre will be joining the St. Albert group for the picnic.

It should be a real fun day for all. The recreation committee is planning all sorts of interesting things such as games, sing songs etc. Remember, if you are a Senior, you are invited to attend this annual event. The only requirement is that you bring your own lunch. Coffee, and tea will be served at the Centre.

THE CITY OF St. Albert

EXCERPTS FROM THE FINANCIAL STATEMENTS
For The Fiscal Year Ended
December 31, 1977

Auditor's Special Report

To: The Members of the Council
The City of St. Albert

We have examined the balance sheets of the various funds of the City of St. Albert as at December 31, 1977 and the related statements of Revenue and Expenditure, Surplus (Deficit), Capital Financing, and Equity in Fixed Assets for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances except that due to operation of the St. Albert Public Transit System by the City of Edmonton, our examination of Public Transit Fees was of practical necessity limited to the recording of fares reported by the City of Edmonton

In our opinion, except for the effect of any adjustments which might have been required had we been able to extend our examination of Public Transit Fees, these financial statements present fairly the financial position of the municipality as at December 31, 1977 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles for Alberta municipalities applied on a basis consistent with that of the preceding year.

Notes to Financial Statements
December 31, 1977

ACCOUNTING POLICIES

a) The accrual basis of accounting is followed in both the budget preparation process and the recording of transactions.

b) Depreciation policy

- General Capital Fund - none
- Water Capital Fund - Annual depreciation in an amount equal to the annual debenture principal payment is recorded as a reduction of equity and is not charged to operations.
- Public Transit Capital Fund - none

c) Equipment replacement reserves have been established for the General Capital Fund and the Public Transit Capital fund which, at the end of the estimated useful life of the assets, will have provided sufficient funds to replace these assets.

WATER AND SEWER

In the current year, the City of St. Albert recorded Water and Sewer revenues earned up to December 31, 1977 whereas in previous years, these revenues were recorded on a twelve month billing cycle basis.

The effect of this change was to increase the 1977 Water Operating Revenues by $32,297 and the 1977 Sewer Operating Revenues by $16,128.

Included in the 1977 Water and Sewer revenues are amounts of $38,918 and $18,148 respectively, being the difference between subsequently determined actual billings and 1976 year and estimated accruals. These revenues have been included in the operating revenues for 1977.

FIXED ASSETS

It is the policy of the City of St. Albert to enter into agreement with developers whereby the developer is responsible for the installation and all costs of streets, sidewalks, lighting, and water and sewer lines. Upon completion and acceptance of the works, title to the assets is transferred to the City at no cost.

As a result of this policy, the asset values of the City do not reflect the developer's cost of assets transferred to the City.

CONTINGENT LIABILITIES

The City is the defendent in three lawsuits at December 31, 1977. While it is impossible to estimate the ultimate liability with respect to pending litigation, the City's solicitors believe there is little likelihood of the claimants having any success against the City

Swimmers . . . take your marks . . .

St. Albert Sailfish Swim Club was host to their second invitational meet of the year Sunday. Six clubs comprising some 150 swimmers took part in the meet won easily by St. Albert.

Rapid Luck

Robert and brother Fred repair their boat "SHALLOW WATER", which hit a rock near Cut Bank during the World Championship River Boat Race. The MacKay's boat hit what could be described as a floating rock in the rapids. The damage, although not extensive did put the boat out of further competition. Due to a lack of entries in the D class, the Mackays' were moved up to C class. With the jet leg smashed the boat had to be pulled out of the water and driven back to St. Albert. Sporting bruises on her body, Navigator Janet MacKay said it was the worst the river has ever been. The Smoky River is shallower than usual which is creating higher waves than normal. The race has had one fatality, which occurred when the pilot of the Mexican speed boat was killed, after being driven into a wall. The MacKays' will be ready for the second half of the race which starts in Nordegg July 28 and ends in Edmonton July 30 about 10 a.m.

St. Albert Invitational swim meet - July 23

Team depth leads Sailfish to meet win

Once again the weatherman blessed us with a hot and sunny day for St. Albert's second invitational swim meet held Sunday.

While several poolside officials were setting their own records with various degrees of sunburn, St. Albert led steadily throughout the day for a total of 615 points. Spruce Grove took second place with 323 points and Fort Saskatchewan came through for third with 165. Teams from Leduc (159), Westlock (148), Whitecourt (78) and Barrhead with 61 points rounded out the seven team event.

Westlock walked away with three individual awards, while Gretel Rachor of St. Albert once again brought home the girls' eight and under individual award with a top 18 points.

In the girls' nine and 10 year olds, Jody Stutchburg from Barrhead led with 13 points closely followed by St. Albert's Susan Preece and Jacki-Jo Tessier with 12 points each.

Ties were declared in two separate categories - both in the 13 and 14 year old boys and 15 and 16 year old girls. Looking at the boys, Rob Fraser from Fort Saskatchewan and Tommy Munro of St. Albert tied with 16 points in their events, while Pam Morrie of Westlock tied with Sheila Dick of St. Albert with 15 points each.

In the case of ties such as these, the times shown by the individual swimmer that stands closest to the record in the events that were entered are the ones that decide who takes home the award. In this case, Rob Fraser and Pam Morrie were declared the winners.

In the girls' open events, Diane Pass of St. Albert led with 14 points. These trophies were the kind and generous donation of Mr. Adolphe Rachor, owner of A.B.A. Saw Filing Co. of St. Albert.

Amongst murmurs of "I'm not swimming against them," 18 year old Rick Burton of St. Albert and his friend, 20 year old Richard Moore of Walnut Creek, California whipped off a 200 metre individual medley relay. This was an exhibition event only and did not give points for team standings. Both the boys were in the Commonwealth trials in Regina this year and will be representing the South Side Swim Club at the National Swim Meet in Etobicoke, Ontario next month. Our loss was California's gain when Richard and his family moved to Walnut Creek from Canada.

To have a look at the 11 and 12 year olds who help drive home the high points, we have in alphabetical order: Raelynn Burton, Jane Christie, Jillian Hayden, Karen Jackson, Dawn-Carla Johnston, Allison Lassiter,

Sunburst baseball

Saints hosting playoff

St. Albert Saints of the Sunburst League will be hosting Cold Lake Cardinals this weekend in a Northern Alberta playoff to determine which team will advance to the Senior Intermediate Provincial finals tournament in Edmonton August 12 and 13.

Last weekend the Saints won four games in a row at a double round-robin tourney in Easyford to advance to the Northern playoff. The defeated Easyford 8 - 4 and 12 - 2 and Rochester 15 - 0 and 10 - 2.

Gene Sharun led the team in the hitting department with 13 hits in 17 trips to the plate. The total included three homeruns. Gerry Hague went 11 for 15 at the plate and Warren Sarchuk and Gary Greening each had a homerun.

St. Albert and Cold Lake will square off at Mission Diamond Saturday at 2 p.m. and 5 p.m. If a third game is necessary in the best of three affair it will be played Sunday at 1 p.m.

The Provincial Tournament will be hosted by the Edmonton Cardinals of the Sunburst Baseball League and will be held at Renfrew.

Zone 5 Mosquito Baseball Playoffs

Double Knockout Tournament

Saturday and Sunday

Meadowview Diamonds
(West of the trestle off Mission Avenue)

The Webb's Hardware Expos will host Spruce Grove, Barrhead and Westlock in a playoff leading to the Provincial finals. (See SAMBA 'Bat-time Stories').

KC's on top in Sturgeon Valley Fastball

Spruce Grove KC's defeated Devon Stingers 11 -4 Monday night in the Grove to remain in first place in the 14-team Sturgeon Valley Men's Fastball League.

KC's are two points ahead of second place Stony Plain Playboys but have played four more games. Playboys won by default over Enoch who are winless in 20 starts.

Stony Plain Kings remained in contention with a 13 - 5 win over the surprising St. Albert Territorial Juniors who hold down sixth place in the standings with a 11 and 9 record.

LBH Builders held on to fifth place with an 8 - 2 win over Poundmaker Native Sons while St. Albert A's won by default over Spruce Grove Total Sounders.

Calahoo Chiefs lost ground when they were upset 5 - 3 by Garden Valley. Onoway Royals defeated Alexander Tee Pee Crawlers 10 - 6.

Only the top eight teams make the playoffs with the first four going to "A" and the next four going into "B".

Every team has three regular scheduled games to play and every team has at least one rain-out to catch up. Playboys, Alexander and Devon lead the rain-outs with five each and will have trouble getting them played before the playoffs start August 9.

St. Albert's three teams all see action tonight with LBH going to Spruce Grove KC's. Juniors travel to Onoway and Devon will be in St. Albert against the A's at Meadowview Park just west of the trestle.

Look out below !

This young soccer player was momentarily airborne during a practice between Victoria and the St. Albert A's. The teams had originally been scheduled to play a game, but as the A's turned up shorthanded, practice was the order of the day.

Sailfish meet

Continued From Page 25

Kirsten Madsen, Denise Mayall, Patricia Pickle, Michelle Puhlman, Tammy Dawn Sernicky, Tracey Watson and Karen Wilkinson.

On Sunday, Kirsten and Jillian took second and third places in the 50 metre backstroke with times of 46:8 and 48 seconds respectively. Raelynn pulled in a 46 second time for second place in the 50 metre breast stroke, just 1/10th of a second off first. The teamwork of Raelynn, Kirsten, Allison Lassiter and Karen Jackson brought in a first in the 100 metre medley relay with a good four second spread over second place. They also took third in the 100 metre free relay.

Andre Borloi, Todd Ewen, Graham Heron, Graham Hogg, Gerald Johnston, Blair Morling and Shane Van Adestine constitute the 11 and 12 year old boys' team. Although they are outnumbered by the girls, their individual performances are super strong. For example, Andre placed first in the 25 metre butterfly, Graham Hogg took second in the 50 m. backstroke, Todd Ewen third in the 50 metre breast stroke, Andre first again in the 50 metre freestyle with Todd in third.

Graham Hogg, Todd, Andre and Gerald Johnston pulled in a first in the 100 m. medley relay and again in the 100 metre free relay. All these points are the ones that get St. Albert up there and keep us there.

A large thanks goes to hardworking Laureen Morling, who with many volunteer parents kept swimmers, officials and spectators soothed with food and drink.

A very special thanks goes to the Red Rooster store manager in Grandin who so ably responded to an emergency situation last Sunday. He very cheerfully donated about two hours supply of pop when the concession "well" ran dry. Considering the number of heat induced thirsts, that was quite a bit!

The following companies donated food and money and helped the Sailfish run a great meet: Canada Safeway, Scott National, Old Dutch Foods, RMC Sports, Denim Den, St. Albert Sportshop, Fruit Basket and St. Albert Bakery.

Barrhead Jays win tournament

Barrhead Blue Jays, first place finishers in the Alberta Major Baseball League continued their winning ways as they beat Edmonton Tigers 10 - 7 in the final game to win the third annual Edmonton International Baseball tournament.

The win for the Jays was worth $1,700 while the Tigers took home $1,300 out of the $7,000 in prize money up for grabs.

Blue Jays earlier won their own tournament pocketing $3,500. It will certainly help to pay a few bills.

Barrhead had earlier wins over a couple of top rated American teams as they beat Arizona Generals and St. John, Washington by identical 10 - 0 scores.

Tigers also recorded a 9 - 4 win over Stony Plain Dusters in the semi-final as Wayne Commodore and Doug McPhail had home runs to help out.

Dale Tilleman and Gary Picone of the Blue Jays jointly won the tournaments most valuable player award as they led their team at the plate with Tilleman hitting .833 and Picone .538.

Lacombe baseball tournament

The 29th annual Lacombe Lions baseball tournament has announced the teams for the prestigious event.

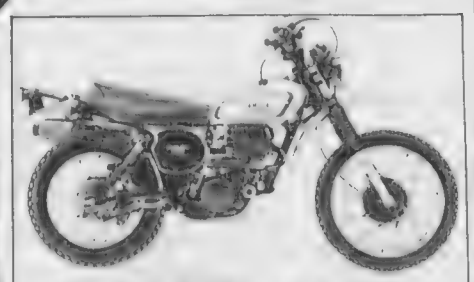

Edmonton Tigers will meet Arizona Generals today at 3 p.m. Other pairings will see Stony Plain Dusters and Unity squaring off at 9 a.m. Wednesday while Rapid City S.D. takes on Red Deer Players at 12 noon. Eston Ramblers and Barrhead Blue Jays play at 6 p.m. with the semi finals slated for Thursday starting at 10 a.m.

A total of $14,000 in prize money will be every team's objective. Barrhead Blue Jays will be trying for their third major tournament win this season having earlier won in Barrhead and Edmonton.

St. Albert Juniors finish 4th in Provincial final

St. Albert Territorial Juniors fastball club made a respectable showing in the 16-team Alberta Junior "A" provincial playoffs over the weekend in Brooks. They finished in fourth place.

Calgary LePage-Melton Renfrews defeated Irma Lancers in the final game by a 7-4 score to win their second provincial "A" championship in a row.

Juniors opened the 31 game tournament Saturday morning at 8 a.m. with a 3-2 loss to Calgary Bankview in eight innings. Calgary led 2-1 after five innings but a single by Travis Parayko in the sixth drove in Dale Reinbolt who had singled with the tying run. Calgary scored the winning run in the eighth combining a pair of walks and a single.

Travis Parayko led the Juniors at the plate with three hits including a triple in the first inning. Mike Mitchell went all the way on the mound in taking the loss. He allowed five hits and struck out four.

The loss was disastrous for St. Albert as it dropped them into the "B" side. It meant that they would have to play nine games in a row to win the title.

The Juniors second game was their easiest of the tournament. They shut out Cochrane 10 - 0 with Blaine Galbraith allowing only two hits and striking out two with only one runner getting to third base. Galbraith also helped out his own cause with a pair of run scoring triples.

St. Albert's third game of the day saw them take on Calgary Scarboro. They played excellent defensive ball and won 7-1. Mitchell was on the mound for the win allowing three hits and getting 10 by the strike-out route. Juniors managed only two hits but took advantage of two walks, two hit batters and four Scarboro errors to score two runs in the fourth three in the fifth and two in the sixth for the win.

After a good night's sleep the Juniors were on the diamond Sunday morning knowing full well that they would have to win six in a row without a loss if they were to get a trip to Nova Scotia as the tournament winner.

Brooks took advantage of three St. Albert errors in the

SAMBA - Bat Time Stories

as told by Uncle Rick

Hi baseball addicts - we are a tower of good information this week - at least we'll give it a good try - many thanks to Bert LaBuick, Darlene Ross, Mrs. Roy Malanchin, Gord Sinclair, Art Balog and several other good people.

Nice thing about SAMBA baseball - it seems to continue, full pace, throughout the summer months whereas other spring/summer sports become, suddenly, inactive. We're not speaking of swimming, tennis, or golf ... which are also going full speed ahead.

SAMBA MOSQUITOS TO ! HOST ZONE 5 PLAYOFFS FOR FIRST TIME NEXT WEEKEND

Meadowview Diamond will be the scene of the Mosquito Division Zone 5 playoffs next weekend right here in St. Albert. This will be another "first ever" for SAMBA as four STRONG Mosquito baseball teams - Barrhead, Drayton Valley, Spruce Grove and St. Albert will see lots of action during the two-day fling.

Coach Sam Huckaluck of Barrhead brings, perhaps, the strongest ball club to the affair. The Dohertys knocked St. Albert's entry out of the Stettler tournament some two weeks ago. However, the local club holds a record of three out of five wins over Barrhead.

Drayton Valley - mentored by Harvey Sweet lost 18 - 15 to St. Albert earlier in the year but they were without their first line pitcher. They could be very tough. The third out-of-town nine expected is the Spruce Grove Marauders. Coach Kim Seppola's Mosquitos were also defeated by the host club in June - this time in a double header. Coach Bert LaBuick, St. Albert, indicated that with a couple of pickup chuckers, the Marauders could be real contenders.

It was announced earlier that the Zone 5 baseball playdowns would be held at the more convenient Mission Park diamond. In the meantime, the senior men's baseballers asked for the facility for the weekend for important A.B.A. playoffs so Bert LaBuick graciously gave way to seniority and relocated Zone 5 to MEADOWVIEW.

Hopefully, washroom facilities will be available. The famous SAMBA concession bar will be open on a limited basis as no power is available at the new location.

First game at 1 p.m. Saturday pits Spruce Grove against St. Albert's Webb's Hardware Expos. Barrhead and Drayton Valley collide in the second game at 3:30 p.m. The remainder of the playoffs are set like this:

Game #3 - loser of Game #1 and Game #2 - 6 p.m.

Sunday, July 30: 10 a.m. Winners of Game #1 and Game #2; 12:30 p.m. Winner of Game #3 versus Loser of Game #4; 3 p.m. Winner of Game #4 versus winner of Game #5; 5:30 p.m. if necessary.

LINK HARDWARE'S BANTAM KINGS RULE SUB-ZONE 5

Coach Norm Heemeryck's Link Hardware Kings of St. Albert swept through all competition last weekend in the Zone 5 (Series One) playoffs in four straight games. All six bantam encounters were played at Mission Park before a good gathering of fans on both Saturday and Sunday.

St. Albert's bantam winners will journey to Westlock this coming weekend for a "best of three" series. Winner at Westlock travels to Acme, Alberta on August 11, 12 and 13 for Provincial skirmishes. Westlock won their series with Stony Plain and Barrhead, during this past weekend.

Sunday was the same story for the Link Kings. First, they shut-out the Sturgeon Valley League Reps 16 - 0 on Russ Cockwill's two-hitter as Riviere Qui Barre offered little resistance to the big St.

Link Hardware Kings gave St. Albert the Zone 5 Bantam championship on the weekend.

Bat - Time Stories

Continued From Page 27

Albert bats which rang consistantly throughout the weekend's activity. Their final outing, a do-or-die battle with St. Francis turned out to be an 18 - 3 breather. Blaine Malanchin pitched the win (with help from Jeff Cartmell) for St. Albert.

Dwayne Onyskew of St. Albert's fine mounds corps became the game winner in the first tilt Saturday. Terry Yost did mounds duty in the second fray for the win.

In between games had St. Francis winning 14 - 5 from the RQB crew Saturday and barely squeezing out a 19 - 16 decision Sunday. The Sunday affair was much-delayed by injuries and hard-to-come-by rulings by the officials.

The concession stand, operated by ladies of SAMBA (Bantam branch) drew rave notices throughout the sunny and warm weekend days.

ST. ALBERT MIDGET ALL-STARS ENTER BARRHEAD TOURNEY

An interesting weekend of baseball is anticipated in midget play as Barrhead's County Kings play host to an expected eight-team field of "the finest" . . .

An all-star aggregation, combining the best available midget ball players from among the St. Albert Saints and St. Albert Cardinals, will be headed toward Barrhead this next weekend - with a Friday tilt a distinct possibility.

In the roster from the Saints will be: Tim Shipanoff, Brent Galbraith, Rob Tooth, Greg Foster, Colin Parayko, Bernie Joyal and Brian Fee.

From the Cardinals: Doug Rechlo, Trent Balog, Larry Schuchard, Dave Jolliff, Chris Stewart, Brent Weller and Brent Biollo.

At last report, many parents and well-wishers are planning a weekend camping jaunt to Barrhead County for relaxation and plenty of baseball.

BLACK SUNDAY CLOUDS HOGAN'S HEROES IN BEAVER ACTION

What looked like "a beautiful weekend of baseball" turned into a "baseball nightmare" for St. Albert's travelling Beavers and, especially, Coach Vic Hogan.

When we chatted with Vic - a week ago last Saturday night - he was the picture of smiles (not overconfident, mind you) but, after all, his "The Bucket" Beavers were chomping along on a two-game win streak at the Beaver Zone 5 playdowns in St. Francis.

Kent Lefebvre and Don Carlson combined forces on the mound for a 14 - 2 victory over the strong host team, St. Francis, Saturday. Lefebvre was the winning flinger. Carlson pitched and batted Hogan's Heroes to a 30 - 7 scrounging of Drayton Valley. Neil Primo helped out with some nice relief pitching although Carlson was strong all the way.

Coach Hogan was still smiling Sunday morning as his team continued with another win - 25-8 over Drayton Valley. Dean Williams received credit for the victory ... Scott Rusnak also saw duty for St. Albert with three innings of work.

Then it happened! Suddenly, all went dead for the local Beaver bunch. They needed longer hits, more hits, better baserunning ... which didn't come. St. Francis chucker Cender went all the way - as "The Bucket" left seven men on base to lose 6 - 3. This made a seventh game a necessity as St. Albert and St. Francis had identical 3-win 1-loss records.

Again, troubles brewed as Coach Hogan's Bucket men could right no wrongs. Playing "catch-up" baseball throughout the game, St. Albert managed to score four tallies in the bottom of the seventh frame and put the tying run on third - but, as luck would have it, the game ended with St. Francis leading 11 - 10.

Many bright spots appeared as the Bucket Brigade came up well defensively with Tommy Saunch outstanding. Socking the baseball with regularity, among others, were Greg Lockert and Don Carlson.

As of now, Coach Hogan is planning on entering a tournament sometime during the later days of August before hanging up the diamond togs for the year.

Space is short, so may we say again that "Diamonds are a boys best friend in the rough, dry, dusty, wet, and otherwise" even softball diamonds like at Meadowview, eh Bert?

Juniors at Provincial final

Continued From Page 27

first inning as they scored two runs and appeared to be off and running.

St. Albert managed to pull themselves together and tied the game in the third with Earl Evaniew (walked) and Les Hrdlicka scoring as Brooks booted the ball around.

St. Albert took a 4-2 lead in the fourth as Blaine Galbraith and Steve Lister both singled and scored on another Brooks miscue in the infield.

Evaniew reached first on an error in the fifth, Mike Mitchell walked and both came home on Galbraith's triple as St. Albert took a 6-2 lead.

Brooks came back with a single run in the sixth inning but St. Albert took the game by a 6-3 score. Galbraith was the winning pitcher.

With only 30 minutes rest the Juniors were back on the diamond again and came up with a well played 6-0 win over Wetaskiwin. Mike Mitchell went the distance for the win allowing only two Wetaskiwin hits while his team-mates made some excellent defensive plays and did not allow a runner past second base.

Their third game of the day went almost immediately following their 6-0 win. It was evident that the 90° plus heat was wearing them down as they made a couple of errors in the second inning allowing Irma to score two runs. Irma took advantage of another error in the third inning and added two more runs for a commanding 4-0 lead.

Juniors scored their first run in the fourth when Travis Parayko reached first on an error and scored on Dale Reinbolt's single.

Irma got that one back in the fourth for a 5-1 lead and allowed St. Albert only one more run in the fifth to win 5-2 and advance to the "B" final against Ardrossan who lost their only game to Calgary Renfrew in the "A" semi-final.

Irma stretched their winning streak to five games as they upset the favored Ardrossan team by a 3-0 score. They advanced to the final knowing that they would have to beat Renfrew twice to win it all.

They started off on the right foot as they shocked the cocky Renfrew club by winning 10-4 and sending the tournament into the deciding game.

Unfortunately the seven games in the same day took its toll as the gutsy Irma team lost the final by a 7-4 score. Renfrew had only played one game on Sunday and were by far the fresher team.

Calgary Renfrew will now represent Alberta in the Canadian finals later on this month.

FROM THE BENCH . . .

The Juniors received some outstanding defensive plays from their outfielders. Wayne White, Murray Riddell and Earl Evaniew all came up with some unbelievable catches.

The infield though was a question mark at times. They made costly errors that led to both of their losses. They also came up with some fine plays in the games that they won. Catcher Travis Parayko was the only St. Albert player to play the complete tournament in one position and he was probably the best player in the whole tournament.

Pitchers Blaine Galbraith, Mike Mitchell and Blair Iseke allowed only 12 runs in six games which wasn't bad considering the talent that they faced. St. Albert's biggest weakness was at the plate as they just couldn't come up with the hit with runners on in the two games they lost.

Next year's team will be strong. Only three players are lost due to the 21 year old age limit. Any players wishing to play for next year's team are asked to call Blaine Galbraith at 459-7831.

Klondyker fastball tournament

Saskatoon All-O-Matic A's won the Klondyker Invitational fastball tournament in Edmonton Sunday with a 5 - 2 win over Andrew A's in the final game.

The win, the fourth of the year for Saskatoon was worth $2,700 while the runner-up Andrew team took home $1,300. All-O-Matics had earlier wins over Runners World, Fort McMurray and Calgary Oilers to reach the finals while Andrew took out Stony Plain Playboys, Monarch Auto Body and Rollyview.

O. B. Williams of Andrew was judged the tournament's most valuable player.

REAL ESTATE AUCTION

OF 30 LOTS AT LOBSTICK RESORTS

SATURDAY, JULY 29, 1978
COMMENCING AT 2 SHARP

DIRECTIONS: 62 miles west of Edmonton on Highway 16 to Lobstick Resort Road. Turn north to Lobstick Resort Subdivision.

- ½ to ¾ acre scenic treed lots for holiday trailer, mobile home, cottage or residence on a year round development in a relaxed wilderness setting only ½ mile off Highway 16
- All weather gravel road throughout the subdivision
- Power to property line of each lot
- Each lot purchaser gets a share in approx. 600 acres of wooded recreational area in subdivision
- Picturesque Lobstick River runs through the entire heavily treed subdivision
- Terms of Sale - Following the close of bidding all purchasers shall execute an interim agreement with a $1000 deposit. Balance of funds due on possession date of August 15, 1978. 70% financing available to qualified purchasers
- Advance bids with the required deposit will be accepted from those unable to attend the sale
- In the event of rain, sale will be held indoors
- A total family recreational area including playgrounds, boating, fishing, cross country skiing, and horseback riding
- Information herein is a guide only and is subject to additions, deletions, error and changes as exist on sale day.
- Owners - Lobstick Resorts Ltd

Coyote hunting to be controlled

New big game hunting regulations

Alberta Recreation Parks and Wildlife has outlined major features and changes in the Game hunting regulations for 1978.

Generally, hunting season opening dates will be similar to those of 1977. Except for the south eastern region, big game populations have remained stable throughout the province.

The number of big game licenses which Alberta hunters can hold has been simplified allowing people more choice. Residents will now be allowed to possess a maximum of three of the four male antlered big game licences - Male Elk, Male Mule Deer, Male White-tailed Deer and Moose. The restriction of not being allowed to hold both a moose and elk licence has been removed.

The hunting of Antlerless Elk, Antlerless White-tailed Deer and Antlerless Mule Deer will be by special draw authorization. Hunters successful in the draw will be able to purchase their male licence tag after they get their antlerless authorization stamp. This will allow a hunter to harvest either a male animal anywhere in the province during the season or an antlerless animal in the wildlife management unit specified on the authorization.

Bowhunters will be given one big game tag with the purchase of the bowhunting licence which allows them to harvest one animal (male or female) -- Moose, Elk, Mule Deer, White-tailed Deer, Black Bear or Caribou. If the person wishes to hunt another animal after he uses his bowhunting tag, he may purchase the regular species licence and hunt either with a bow or gun.

This year the Fish and Wildlife Division will be requesting all hunters to submit the front teeth from any big game animal they harvest, for purposes of age determination. Envelopes for this collection will be available from Fish and Wildlife offices and most vendors. Since postage will be prepaid all hunters are urged to complete the requested information and return the envelopes even if they do not hunt or kill an animal.

Hunters are reminded that seasons in wildlife management units, formerly Zone 2 are now fully incorporated into Zone 5 and are subject to all the season dates established for Zone 5. The morning prohibition of all-terrain vehicle use in Northern Zone 5 has been removed to allow access into more remote areas.

The Long Lake Moose season and the Yaha Tinde Elk seasons have been discontinued. The resident zone and male moose licence has been dropped in favor of the new simplified licence combination which has been adopted. There will be no hunting permitted in Kananaskis Provincial Park.

COYOTE HUNTING

Changes in the 1978 regulations regarding the hunting of coyotes reflect the recognized need for more effective management of coyotes throughout Alberta.

In recent years, coyotes and their harvesting have been the focus of discussion for a number of groups, among them, trappers, conservationists, farmers and ranchers.

Fish and Wildlife Division, Alberta Recreation, Parks and Wildlife identified some of the concerns over the harvesting of coyotes as follows:

High fur prices have caused an increase in harvesting and subsequently an increase in trespass violations.

Unrestricted hunting of coyotes with hounds has resulted in strong adverse public reaction.

Environmental groups cite over harvesting and indiscriminate hunting as the result of inadequate controls.

The livestock industry fears over protective measures for coyotes could result in increased coyote populations and also an increase of losses in sheep and livestock numbers.

Features of the 1978 regulations are expected to balance these concerns.

In order to protect their livestock and property, landowners will continue to be permitted to shoot coyotes on their own land any time of the year, without a licence. Where an individual landowner is unable to control problem coyotes alone, he may apply for a wildlife damage permit from the Fish and Wildlife Division. The permit grants him the right to name other individuals to shoot coyotes on specified lands without a licence. Permits will be issued for any period required, with a maximum time frame of one year.

(Coyote seasons have been considerably reduced in forested regions and settled areas and will run from November 1, 1978 to February 18, 1979. Previously, the season in forested regions ran from September to May). In settled areas, the season was open all year.

Anyone other than a landowner or person hunting under authority of a damage permit will be required to purchase a valid big game licence.

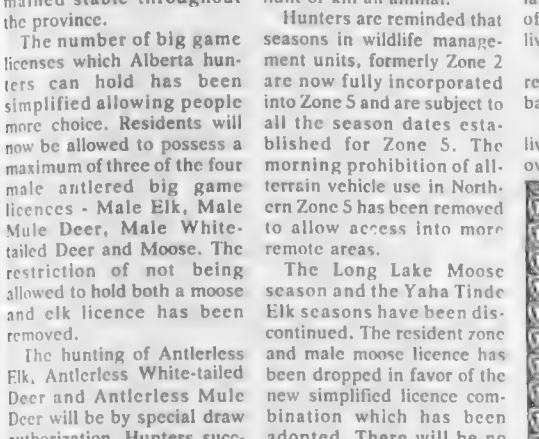

Unrestricted hunting of coyotes with hounds will not be allowed -- a permit will be required.

The chasing, harming or killing of coyotes with any type of motor vehicle remains prohibited.

Any inhumane activity in the pursuit of coyotes and failure to recognize trespass laws will result in permit and/or licence suspension.

Regulations governing the trapping of coyotes within the fur industry remain unchanged.

The 1978 Big Game Synopsis are now available at licence vendors. Any person having questions regarding hunting in 1978 may contact their local Fish and Wildlife Division office - 427-6750.

WHY ME !

Kathy Matear (18) didn't know whether the sopping wet sponge would hit its mark, namely herself. Neil McDonald, the tosser, will have to brush up his pitching arm. The sponge toss was held at the Mission playground.

It's that time of year again when Speedway holds its annual Funny Car Nationals. The Monday, July 31 affair will feature 24 of the best cars around. With the likes of the Mongoose, Snake, Blue Max and Green Elephant for cars and Don Prudhome, '240' Gordie Bonin, Tom McEwen at the line, racing will be at its best.

Photo by Al Popil

Motor size and your boat

Tenth in a series of articles by RCMP K Division on boating safety and regulations. The police are concerned with the fact that 48 percent of all Alberta drownings investigated in 1977 involved small vessels.

Liquor. Is it allowed when boating? The Provincial Liquor Control Act does not allow liquor in a public place, except under the authority of a permit. Therefore, when boating, liquor is not allowed. There is also an offence for impaired operation of a vessel which has provisions for a breathalyzer test and a penalty of either fine or imprisonment. There could also be a suspension ordered prohibiting operation of a vessel on any waters in Canada. Please remember that the provisions against open liquor apply equally to fishermen along the shore and that the Provincial Litter Act regulates the disposal of the empty bottles.

TODAY'S BOATING TIP:

To properly tow a disabled boat it is necessary to first raise the motor of the towed boat. Next, if possible, have all the passengers get into the powered boat to lighten the load on the towed boat. Do not try to hold onto the tow rope but tie it to the transom of the boat or to the leg of the motor. Above all, do not try to travel at too great a speed as this may damage your motor.

Rose sets record

Pete Rose, star third baseman for the Cincinatti Reds set the National League Baseball league record for hitting in 38 consecutive games Tuesday with a sharp single to right field in a game against the New York Mets. Rose had been tied with Tommy Holmes at 37 which was set in 1945. The all-time professional record is held by the legendary Joe DiMaggio of the New York Yankees at 56 games and it is likely that record will stand due to the excellent core of relievers in baseball today.

PETE ROSE

Car Walker

Paul Riddell and his Hell Drivers were in town last Wednesday to perform their various driving stunts. Paul Riddell Jr. (12) balances on top of a '78 Pinto (photo) being driven by Don Chadwick. Ramp judges with precision driving appealed to the 600 plus fans. Cocoa the clown pleased the young ones on hand with his exploding car and funny antics. Winning the Paul Riddell 500 stock car race was Lloyd Anderson of Edmonton. The Hell Driver show is well worth catching next time around.

Yankee manager calls it quits

Billy Martin, controversial manager of the world champion New York Yankees, resigned Monday after meetings with club president Al Rosen and owner George Steinbrenner.

Martin was openly critical over the play of team-mate Reggie Jackson, recently suspended for five games for disobeying signals in a loss to Kansas City Royals.

Bob Lemon, a team-mate of Rosen's when they were with Cleveland Indians in the 50's is expected to replace Martin.

Martin's excellent knowledge of the game will land him a job as soon as his contract ties with the Yankees are severed.

BILLY MARTIN

Alberta umpire goes to world cup World Cup

City of Lethbridge employee, 36 year old John Kobal has been selected to umpire in the 1978 World Amateur Baseball tournament in Italy during late August and early September, 1978.

The president of Baseball Canada, Mr. Cas Pielak of Regina, Sask., in conjunction with Alberta Baseball Association President, Mr. Bob O'Brien of Barrhead, Alberta recently announced that John Kobal was chosen to represent Canada at the tournament in Italy after considering several other top umpires throughout Canada. John was recommended by Alberta Baseball Association Umpire in Chief, Murray Service of High River, Alberta, after considering John's officiating background. Mr. Kobal umpired in the Alberta Major Baseball League during the time Lethbridge had a team in Alberta's top calibre of baseball league. He has also worked numerous championships, such as: The Western Canada Little League playoff in 1973, 1975 and 1977; the Western Canada Junior series and the Alberta Senior Provincial Championships in 1974; the National Senior Championships in Vancouver and the Western Canada Beaver playoffs in Lacombe, Alberta in 1975; the Canadian Beaver Championships in 1976; the Alberta Provincial Junior Championship in Calgary in 1977. John is also a highly rated hockey referee for the Western Canada Junior League.

The Alberta Baseball Association is extremely proud that an Alberta umpire of John Kobal's ability has been selected to this assignment in Italy. Over the years he has worked diligently toward such an assignment. The Canadian and Alberta umpiring bodies will be well represented by John's presence in Italy. Baseball Canada hopes this assignment will set a precedent for Canadian umpires to participate in International events and will serve as an inspiration for younger umpires to set their goals high when they decide to take up officiating. Mr. Kobal will leave Calgary for Italy on August 23 and will return on September 7.

The good times are at Legal this weekend

For a great time and an opportunity to enjoy some French Canadian customs and food, head out to Legal this weekend for the annual summer festival of the ommunity, the Fete au Village. Legal is 20 miles north of St. Albert on Highway 2.

From the street breakfast Saturday morning, laid on free by the Legal Lions Club, to the fireworks display which ends the festival at 10 p.m. Sunday evening, there will be something going for the whole family every minute.

Following the Parade at 10:30 the Nault Centre, named in honour of the late Joe Nault, former mayor and outstanding citizen of the village, will be officially opened.$

Then the young-in-heart will be heading for the rides on the Midway or the beer gardens. For others the action will be at the ball diamond where an eight-team tournament gets underway. Gymkhana fans can see the horses and riders go through their maneuvers at the field across from the ball park, where visiting families will be set up in their trailers and limbering up for their turns on the field. Finals go Sunday afternoon.

Meanwhile at the Arena Rendez-Vous, Coultera's Square Dancers will be on hand to entertain you at 1:30. It's competition time at 3 o'clock at the Bandshell, with a tug-of-war and log sawing contests, livened up by the "Cirque ou Bedon" clowns and a show featuring the marionettes and puppets of "Blackfield Glen."

The aroma of steaks sizzling on the barbecue will entice everyone for supper at five o'clock, followed by the crowning of Mlle. Fete au Village at 7:30. To wind up the evening take in the cabaret at the arena with "Starlites" on the bandstand.

Midway and baseball get going at Noon Sunday and the outdoor concert at the bandshell at 2 p.m.

Everyone will want to see the demolition derby at 3 o'clock and there will be more delicious steaks at five - just in time to be ready for the baseball finals at six. A variety concert by the Spirit River String Band promises extra special entertainment in the arena at 8:30, and at 10 o'clock a fireworks display will bring the two-day celebration to a close.

Admission is only $1.50 for adults and children 12 and under go in to the grounds free. Load up the kids, gather up your friends and get in on the festival at Legal this weekend. You'll be glad you did.

Simon Ouimet dies at 70 years

Simon Joseph Ouimet, a well known farmer of the Villeneuve district who retired in St. Albert, died Tuesday morning, July 25, in Sturgeon General Hospital. Mr. Ouimet was 70 years old and death followed a heart attack. The Ouimets have made their home at 30 Lambert Crescent for a number of years.

Prayers will be said Thursday evening at eight o'clock in the St. Albert Roman Catholic Church, with Father Maurice Lafrance O.M.I. officiating.

Mass of Resurrection will be said by Father Lafrance at the St. Albert Church on Friday, July 28 at one o'clock.

Mr. Ouimet is survived by his loving wife Julia; three daughters and one son, Mrs. Lawrence (Simone) Kluthe, Mrs. Roger (Mona) Comeau of Riviere Qui Barre, Mrs. Robert (Linda) Mason of St. Albert, Paul at home, and his fiance Nancy Farquhar; eight grandchildren; one brother, Fred of Coquitlam, B.C. and one sister, Lina Blais of Edmonton.

Long shot birth

British Farming - A Friesian cow, Marion, has given birth to twins - one a black and white Hereford, the other a Friesian.

According to the owner, even the experts could not believe it. "They said there is probably a million-to-one chance against anything like that happening."

Redwater school vandalized

The Redwater School was a sight for sore eyes following a mass vandalism attack which left most of the school and kindergarten in various states of destruction and disarray. The amount of damage is still being realized and a report should be available next week.

M.D. LOGO WINNER

Gib Boddez, secretary-treasurer, presented a $75 cheque to Dawn Goulet, winner of the logo contest announced last spring. Her drawing appears on this page

MD announces logo winner

Dawn Goulet of Legal has been chosen winner of the M.D. of Sturgeon's logo contest.

The contest announced in the spring attracted 350 entries from which 15 finalists were selected. A committee of three - Reeve Bill Flynn, Secretary Treasurer Gib Boddez and Assistant Secretary Treasurer Grace Roy - chose three top finishers from the 15.

Dawn received a $75 cheque from Gib Boddez for her depiction of the Sturgeon countryside using the 'lazy S' of the river. The logo will appear in three colours plus black with the wheat yellow, hillsides green and river and clouds blue.

Arlene Arlow of Busby collected $50 and Grant Schultz of R.R. 2 St. Albert collected $25 for their second and third place entries.

Main street Legal getting a facelift

"Main Street Alberta" has hit Legall With a great deal of hard work from the Legal Lions Club and co-operation from the Village and the Devonian Foundation of Charitable Contributions, a $23,000 grant was given to the Lions from the Devonian Group and a $11,500 grant was given by the Village of Legal. The $23,000 from the Devonian Foundation was to be used for the purchase and installation of materials to beautify the Main Street. The $11,500 from the Village, was to cover the materials and services rendered.

The total project will be completed by the end of the summer and will see the installation of 120 green ash and mountain ash trees and 14 park benches which will be strategically located throughout the town. Two of the benches will be located in the "Lions' Mini Park" between the Post Office and the Credit Union, along with $3,000 worth of shrubs, flowers, trees and landscaping. Also, crosswalks will be painted on the Main Street.

All nursery items were supplied and installed by Countryview Landscaping of Morinville. Park benches were fabricated by Legal Welding Company.

Services held for David Majeau

Father Maurice Lafrance O.M.I. conducted funeral services this morning, July 26, at St. Albert Roman Catholic Church for David Edmond Majeau of Villeneuve, who passed away suddenly on July 22, 1978. He was 19 years old. Father Lafrance also officiated at Prayers said Tuesday evening. Interment was in the Church Cemetery.

David leaves to mourn his parents, Edmond and Jennie Majeau; four sisters and two brothers, Mrs. Richard (Donna) Rurka of Red Deer, Miss Darlene Majeau, Edmonton, Mrs. Ken (Dale) Ryan of Edmonton, Mrs. Robert (Cecile) Poort, Chilliwack, B.C., Daniel and Dallas at home; his grandparents Mr. and Mrs. Nick Caryk of Edmonton and Mrs. Alice Majeau of Calahoo.

Donations will be accepted for the Alberta Heart Foundation.

Calahoo Goldenagers enjoy meeting

By Liz McLeod

After that terrific electric and rainstorm of Monday night and Tuesday, two weeks ago, Wednesday turned out clear and bright, at least till evening, when another shower materialized. Despite this weather the warmth of friendships is very evident at the gatherings of the senior citizens of Calahoo and district, when they meet in the Gazebo every second and fourth Wednesdays.

At the July 12 meeting only 23 folks turned out as opposed to 29 at the June 28 meet.

Mrs. Alice Majeau of Calahoo and Mrs. Marie Verstracte of Villeneuve, were most welcome guests this day. Marie is visiting with Alice just now.

Also Clara Loyer's granddaughter - Jim and Clara's Cindy, accompanied Gramma to this pleasant gathering.

After cards and bingo were enjoyed everyone present was in for a treat.

Since Mrs. Helen Radjo and Mrs. Laura Boddez have birthdays this week, they decided to splurge and make the lunch for all to enjoy.

Open faced sandwiches with homemade buns and pickles were such a treat, as was the two kinds of ice cream, which was enjoyed with the chiffon cakes, so attractively decorated for the occasion.

All rose to sing happy birthday to these fine ladies, and a vote of thanks was in order.

It was so nice to see Mr. Fred Labonte out to the meeting and glad to hear his health has improved.

All were solemn at the knowledge of the passing on July 7 of a dear fellow member, Mr. Frank Gawron.

The next meeting will be held a week early, Wednesday, July 19, because many members will be busy at K-days on the 26th.

Visitors are always welcome!

AWARDS NIGHT

At the annual Awards Night held at the Redwater school at the end of the term, we caught this picture of some of the students who were presented with awards. Ken Sawka won for the highest marks, Terry Martinoski took the book award, Cathy Nelson was the top girl athlete, Tim From was the top male athlete and Don Roshko was runner-up for top male athlete.

Redwater school awards

Following is a list of the students who earned distinction for the past school term:

Grade 2 - Michael Dust and Kim Anusko.
Grade 2-3 - Ruth Ann Housing and Dale Hawn.
Grade 3 - Marcel Sookochaff and Lorin Sookochaff.
Grade 4A - Heather Reed and Tammy Bunn.
Grade 4B - Lisa Wacewich and Sherry Dust.
Grade 5 - Terry Worschuck and Bruce Melville.
Grade 5-6 - Allan Cowan and Leanne Hrynchuk.
Grade 6 - Janice West and Judy Prodanuck.
Grade 7A - Cindy Hick and Cheryl Budnay.
Grade 7B - Joyce Yacachuk and Dennis Martinosky.
Grade 8A - Darlene Halun and Lorna Lang.
Grade 8B - Linda Anosko and Karen Worschuk.
Grade 9A - Cathy Nelson and Terry Martinosky.
Grade 9B - Leanne Hanson and Rhonda Madanski.

Cathy Nelson took the girls athletic award, runner-up was Roxanne Johnson. For the boys it was Tim From and runner-up was Donny Roshko.

Ken Swarka won both the Redwater academic award and was also the tops in the MD of Sturgeon. Cathy Nelson was runner-up for Redwater and the MD of Sturgeon. This is for Grade 9 and Ken won a cheque for $25.00.

Redwater Kindergarten receives cheque from RCMP

Corporal G.D. Osetsky presents a cheque for $400 to Jack MacDonald, President of the Redwater Kindergarten Association, as part proceeds from the Annual RCMP Ball. The money will be used to purchase educational equipment for the local kindergarten.

Legal Locals

The Legal Lions and Lion Richard Smith have each donated $50 to a very worthy cause in the Clyde area - namely "Pax Natura - The Ranch for the Deaf." The Lions wish the Reverend Bauer the best of luck this summer and plan to contribute to this cause again because this is a very worthwhile project.

Anyone interested in performing at the Fete au Village Bandshell Sunday, July 30, please contact Lucy de Champlain 961-3048.

Fete au Village featuring traditional music

Once again Legal's Fete au Village promises top entertainment this year at the Citadel Jamboree on Sunday, July 30 at the arena. The program begins at 8:30.

Edmonton's Spirit River Stringband will feature traditional Irish and French Canadian music. Members includee Claire Beaudoin, Peter Mitchell and Paddy Byrne with Carol Kubsh and Jim Hay, recent newcomers to the band.

The group used to play steadily in taverns and for dances but finds it more enjoyable to perform just for special occasions - Fete au Village being one of them.

The band has an easy rapport with their audience with considerable help from their unusual instrumentation. Along with guitars, banjo, fiddle, dobro and autoharp they have a set of silver spoons, an Irish-hand drum called a bodhran and a brass washboard.

Claire is the washboard virtuoso. They have had trouble finding metal washboards, but finally discovered a company in Ohio which still makes them.

A Grant MacEwan College dance graduate, Claire has learned to call a few square dances. Together with Paddy she is researching French-Irish and North Carolinian step dancing.

Paddy, the band's fiddler says that one of the band's chief functions is to play dance music.

Peter plays the guitar and dobro which is a sort of an accoustic version of a steel guitar. He searched far and wide for an original one which he finally found in Nashville, Tennessee.

Carol plays the autoharp and adds her charming vocals to the band. She and Claire define most of the French influence.

Jim will be rounding out the sound with bani and stand-up bass. He'll also be studying up some French lyrics for "La Fete au Village."

The group is looking forward to what will surely be a memorable event in Legal on July 30.

Sunday, August 6, 1978
Mass at 12:00 Noon

Please bring your own lunch.
Coffee and cold drinks will be provided.

Come One Come All

Sturgeon Recreation News

Submitted by the Department

SUMMER PLAYGROUNDS

Summer playgrounds are in operation in Bon Accord, Evergreen Mobile Home Park, Gibbons, Legal and Morinville. The playgrounds are open from 10 a.m. - 12 noon and from 1 - 4:30 p.m., Monday thru Friday. Children must be 6 to 12 years of age. Special days have been set aside for preschoolers. (Please consult your local playground for further information). Each day, the children participate in a variety of activities which includes crafts, games, music, drama and sports.

SUMMER CAMPS

Summer camps begin August 7 - 11, August 14 - 18, August 21 - 25. For those interested in attending there is still room in Camps 11 and 111. If interested call Leslie at 939-4317.

DAY CAMPS

The Cardiff Day Camp was an all round enjoyable experience and the kids enjoyed it as much as the leaders did. Arlen and Joanne just completed the Nywening Park Day Camp which ran July 24 to the 26. They would also like to say hi to all the Cardiff Park kids.

ADULT CANOE TRIP

For all those interested in canoeing, Sturgeon Regional Recreation is planning an adult canoe trip for August 12 and 13. For more information call Leslie at 939-4317.

AMATEUR POTTERS AT WORK

There's nothing quite like being told to play in the mud. It's a welcome change from the usual line mothers confront their children with. The youngsters in these photos were learning how to hand-build with clay at Cardiff Park at a Sturgeon Recreation Day Camp.

Danielle Hess, Heidi Krauskopf, Darcy Heap, Bridgit Ballsillie, Lisa Ballsillie, Michelle Millande and leader, Joanne Sasges.

Dean Vollmer, Jay Enright and Mike Millande.

Mark Pesklewis, Carey Blais.

Curt Rosychuk and Mark Paquette are getting to know the streets of Redwater very well. They have been hired by the Town of Redwater to paint the curbs at the corners and in front of fire hydrants a bright yellow. Not only does it make the town look nicer, it gives these young men some extra spending money. Keep up the good work!!

Peter McLeods' travel to B.C.

By Liz McLeod

June 29 dawned bright for Mr. and Mrs. Pete McLeod of R.R. 1 Calahoo, who left on a planned week's vacation to see their children, Sharon, Bernie and Dawn McKinnon in Quesnel, B.C.

During the trip through the mountains, a deer and a moose were spotted.

For the second time in our many travels this way, we viewed Mount Robson to its peak. It was an awe inspiring sight.

As the day wore on, the temperature climbed and by the time we arrived at the trailer court south of Quesnel, it was in the 90's F. It was a relief to sit under the huge pine and birch trees enjoying a cool glass of milk and visiting with the children.

Dawne Deanne, who will be three years old in September, was delighted to see her grandparents and a good share of gramma's time was spent playing with her and picking wild strawberries for her.

It gave Bernie and Sharon an opportunity to go camping on the long weekend.

They rode about 12 miles in the back country from their farm, to Smitty Lake.

During our stay we went out to the Gravelle Ferry to visit Bernie's folks Bill and Edie Moore and a friend, Spike Donald, who stays with them.

On another occasion, we drove out to Nasko, 60 miles hence, to visit the lodge, a beautiful well kept old log building. Inside the old crude tools of yesteryear, hung on the walls or on the log beams, and above the stone fireplace, is a picture of a beautiful Indian lady - Celestine Baptiste 1882-1976.

The curtains on the windows were gunnysacks, opened and tastefully trimmed with tassle lace.

The only thing modern about this truly fine lodge, are the flush toilets and electric lights.

July 7th came all too soon and we were up at 3 a.m. and off at 3:30, having a cooler trip home, due to cloudy and sometimes rainy spells. However, we came into sunshine near Calahoo, and found everything fine, except some hail damage to the garden, upon our return.

Morinville Memos

By Margaret Yacyshen

An important meeting to organize minor hockey will be held tomorrow, July 27 at 8 p.m. in the Morinville Historical and Cultural Centre. In order for this sport to continue here a strong interest from community members must be shown, so as many as possible are encouraged to attend the meeting. Further information may be obtained by phoning Mrs. Sherry Taylor at 939-4829.

FARMERS' MARKET GARDENS

Morinville's first Farmers' Market of the season was held on Thursday at the Agriplex from 5 p.m. - 9 p.m. The Market Gardens will continue at the same time and place every Thursday.

Items available for purchase include fresh fruit from B.C., locally grown berries and vegetables, meats by order from the Red Barn, ceramics, handmade jewellery, and home-baked goods. There should be an even greater variety of goods available as the season continues.

At an organizational meeting, the following executive was elected to oversee the operation of this year's Market Garden: President - Ed Nakamura (459-3287), Vice President - Roy Siver (961-2288) and Secretary - Sylvia Bell (939-4782). Any of the above may be contacted regarding stall rentals or for additional information about the Market Gardens.

CURLING CLUB REPORT

The curling season is still several months away, but some requests have already been made for entry into the leagues. As the club can only handle a limited number of teams, priority will be given to those who curled last year. All teams will be contacted and given an opportunity to register again for this winter. However, anyone who did not curl previously and wishes to submit their names is asked to contact Margaret Yacyshen at 939-3047 for mixed or men's entries or Shelley Parko at 939-4071 for ladies' entries.

On July 22 three students from Morinville left for the Montreal area to participate in the student exchange program. Lynn-Ann Johnson, Karen Van Brabant and Joyce Brenneis were members of a group of 19 students from the Edmonton vicinity to embark on this program. They will be staying at the homes of Quebec students who will return back with them on August 2 and then remain here until August 13.

Anyone with news items is asked to contact Margaret Yacyshen at 939-3047, Mail Box 100, Morinville or stop in at 9715 - 99A Avenue.

Cardiff Column

By Florence Vranas

Last Wednesday a ladies' Funtime softball team played against the Morinville Playgirls. The Playgirls were tied for first place with the Villeneuve A team at the end of their season's play. The Funtime team consisted of players from Cardiff and Morinville, some who haven't played for up to 18 years. There had been no practice beforehand so it was just guesswork who would play where. Everything considered, it was no disgrace to lose to the Playgirls and it should be noted, the score was tied at zero after two innings of play. We thank the Playgirls for a lovely evening of fun, you've a great team Romeo, keep up the friendly team spirit.

The Funtime team played their second game this Monday against the Morinville Playmates who placed third at the end of the season. The winners of this game were the Playmates 23 - 22.

Mrs. Laura Kieser, daughter Annie Pelletier and grand-daughter Janice Kieser have returned from a most enjoyable holiday to eastern Canada. While there they visited Janice's parents, Adolph and Cecile Kieser and her three sisters and brother. The brother Greg is a member of the armed forces and was scheduled to leave on July 15 for Germany where he will be stationed for four years. Janice returned home after a week but the other two ladies spent three nights in Montreal and two nights in Quebec City taking in various interesting tours. The rest of the three weeks was spent in Toronto with another of Mrs. Kieser's sons, Albin and family. The weather was beautiful and one of the side trips from Toronto was one to Niagara Falls.

Cliff and Elaine Shaul and family have moved from Cardiff to Rich Valley where they will have more room for their horses. We will miss them.

The weatherman co-operated last Friday to make the barbecue for fellow Royal Alexandra hospital lab technologists, husbands and friends a real success at Arlene Vranas' home.

Bon Accord pioneer passes

A long time resident of Bon Accord passed away recently at the age of 74. Florence Mulligan was born in Fairfield, Illinois on October 15, 1903. In 1916 she came to Canada with her parents Mr. and Mrs. Snoden Wells. They resided in the Sunnyside area. Florence married William Mulligan and came to live in the Bon Accord area in 1920. Together they raised a family of 11 children. She was active in many clubs including Community Club, F.W.U.A. and U.C.W.

Florence raised her children as well as helped to rear 38 grandchildren and 18 great grandchildren. She resided on the farm she came to as a bride until the time of her death.

She was predeceased by her husband William in 1955 and daughter Kathleen in 1972. She is survived by Harry of Bon Accord; Bert of Cooking Lake; Robert of Edmonton; Ralph of Edmonton; Lloyd of Fort St. John; Floyd of Athabasca; Ella of Bon Accord; Maizie of Alberta Beach; Patricia of Athabasca and Trudy of Bon Accord.

Local residents will fondly recall Mrs. Mulligan's talents in the kitchen, particularly at Thanksgiving. She will be sadly missed by the community.

HIRE-A-STUDENT

This smiling group posed in front of the golf club house for the opening of the Hire-A-Student office in Redwater. John Pernitsky is the Committee Chairman for HAS, Barb Smith is the Regional Co-ordinator, Kathyrn Taft is the Operations Consultant, Pat Chmilar is the Office Manager here in Redwater, and of course that's Mayor Konasewich who cut the ribbon to mark the opening. Pat Chmilar told the Gazette that so far, 84 students have registered and 58 have been found employment, either regular or casual. (This is up 18 from 40 last year). Another part of Pat's job is to create jobs, mainly for the 13 to 15 age group which generally have a more difficult time finding jobs. This Friday, take your shoes in front of the Bank of Commerce, because Pat will have some people out there waiting to give them a real good shine, from 4 to 8 o'clock. Students are still invited to register, and business people are reminded to help out in any way possible. The HAS office is open from 10 to 5 weekdays and you can reach Pat by phoning 735-3993.

Bon Accord News

By Lynda Bland

Market Days have featured new potatoes, peas and many more fresh vegetables. The market runs from 6 - 9 p.m. every Wednesday. The movie schedule for the summer is:

July 26 - Monkeys Go Home;

August 2 - Almost Angels;

August 9 - Miracle White Stallions;

August 16 - Moonspinners

August 23 - So Dear to My Heart;

August 30 - Sammy Way-out Seal.

SHOWTIME - 7 P.M.

REMINDER - Circus - August 18th.

Gibbons News

By Lynda Bland

Market Days are Thursdays in the Gibbons area, from 7 - 9 p.m. During the market a selection of films will be shown, scheduled as follows:

July 26 - Monkey Go Home;

August 2 - Almost Angels;

August 9 - Miracle White Stallions;

August 16 - Moonspinners

August 23 - So Dear to My Heart;

August 30 - Sammy Way-out Seal.

Babies in the news

By Liz McLeod

Barry and Elaine Moellmann, formerly of Calahoo, now residing in Edmonton, are receiving congratulations on the birth of their daughter, Nicole, 6 lbs. 15 ozs. in weight, 20 inches in length and born at 7:14 a.m. on Tuesday, April 18, in Edmonton's Royal Alexandra Hospital.

Francis and Laurette Kramps of Calahoo and Grant and Angeline Moellmann of R.R. #1 Calahoo, are proud grandparents.

Nicole is fortunate to have great grandparents too; Mrs. Delima Royer in Edmonton and Ted and Ella Moellmann, from Paradise Hill, Saskatchewan.

Congratulations one and all.

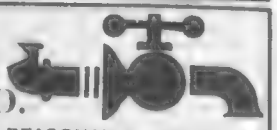

Around Sturgeon

If you see any of the "Big and Strong" fellows around the villages, farms and towns out flexing their muscles with weights or other forms of exercise this week, they may have in mind the one thousand dollars on the line for tug-o-war prizes at Legal Fete au Village this weekend. Wednesday is the official deadline (July 26) to enter the contest. We understand that both Blackie Quintal and Lawrence Kluthe are holding secret practices, and that Cliff Crozier bought a special rowing machine to get in shape for the big event.

DELAYING COSTS MORE!!

Today nobody gets a bargain by waiting around. Home values are on the rise. Prices are substantial, but the home that is medium-priced today will cost more next year.

That's why it's smart to get into the market right away. The sooner you begin paying into your investment, the better; you can begin to watch it grow as values climb.

It's time to start getting your money's worth You'll be glad you did it now!!

need collision repair
RELAX!

We've got the Chief E•Z-Liner

This is today's most modern system of automobile body and frame repair.

So advanced, the E•Z-Liner combines scientific repair principles with a precision "multi-pull" concept.

And, the results? A vehicle that is repaired "factory new" ...above and below the surface!

For a free estimate come in, or call today. Then relax.
